## Chapter Two : Understanding Foreign Policy and Diplomacy

### Foreign policy

- It is the actions, decisions and goals that states pursue towards the outside world
- the **deriving motives** behind foreign policy is the pursuit of **national interest**
  - ✓ States adopt foreign policy to achieve and promote their national interests
- Foreign policy is shaped by both external/systemic factors and internal factors
  - **external/systemic factor**
    - International regimes, international organizations
    - the prevalence of great powers at international level
  - **internal factors**
    - economic, technological and military capabilities of states

### 2.1. Defining National Interest

#### National interest

- the **raison de tat**, (the reason of state), to justify its actions and policy towards other states at international level

**Global Trends in Media and Communications** Mr. Anant Chauhan Vishwendra, 2021-09-11 In the past decades global media and communication industry has developed into a rapidly expanding field with a large number of players Communications across borders consist of flows of words images texts and data that move between and among individuals governments social movements and business organizations Flows of world news are carried across the globe by the major printed news agencies and the leading agencies for visual news Flows of entertainment and educational materials which include recorded music feature films textbooks and TV entertainment are provided by the world's largest entertainment media companies In addition to financial interests global media have an impact on media content politics and culture Like the Internet global media are influenced by the culture and interests of the United States In some ways global media could be considered an extension of the American system As the Internet becomes a broadband medium it is increasingly taking on the characteristics of a mass medium rather than an interpersonal one In the future mass media trends could be extended to the Internet For instance a recent study of Dutch children's Internet usage revealed that they primarily used the Internet as a leisure medium to play games watch video clips and visit entertainment sites Research on Americans however shows people primarily use the Internet to maintain social relationships through e mail This book presents information on some of the basic concepts of this subject Contents The Promise of Citizen Journalism Freedom of Press and Responsible Journalism Cyber Journalism Legal and Ethical Issues Theoretical Foundations of Communication Regulations Freedom Intercultural Dimensions of Media Ethics Media Accountability State and Media Accountability System History of Broadcasting Radio Broadcasting

**Classic Fairy Tales And Myths Retold** GEW Humanities Group, 2024-06-16 Classic Fairy Tales and Myths Retold reimagines global myths and legends with modern twists exploring universal themes cultural identities and the interplay between ancient and contemporary storytelling The book offers a mesmerizing journey through the verdant landscapes of our shared human heritage reimagining the timeless tales that have been the bedrock of cultures around the globe This unique collection breathes new life into the ancient stories weaving contemporary themes settings and sensibilities into the fabric of myth and folklore From the shadowy forests of Europe to the sun soaked tales of the Middle East from the mysterious legends of Asia to the vibrant narratives of the Americas and Africa this book traverses the world to gather an unparalleled compilation of stories that have captivated humanity for centuries Each tale has been meticulously selected and thoughtfully reinterpreted to resonate with modern readers offering fresh perspectives on classic themes of love courage betrayal and justice This collection not only preserves the essence of the original narratives but also challenges readers to contemplate how these ancient wisdoms align with today's world Through this exploration Classic Fairy Tales and Myths Retold highlights the enduring relevance of these stories proving that the lessons they hold and the escapades they describe are as impactful now as they were hundreds or even thousands of years ago Key Takeaways The book reinterprets

classic fairy tales and myths from diverse cultures blending traditional motifs with contemporary art styles Universal themes such as the hero's journey creation love and cosmic order are prevalent across global mythologies The adaptation of ancient myths in modern contexts bridges the gap between tradition and contemporary societal dynamics Cultural identity and storytelling are deeply intertwined preserving heritage while fostering cross cultural understanding The book highlights the impact of myths on shaping societal values and promoting multiculturalism Modern storytelling techniques including digital platforms are essential for the preservation and evolution of these narratives The work emphasizes the importance of empathy respect and inclusivity in the retelling and reinterpretation of mythological tales

*The Golden Bough VS The Jade Leaf* Ye Shuxian, 2026-01-01 This landmark volume offers a bold response from the East to the Western classic *The Golden Bough* bringing Chinese perspectives into the global conversation on comparative mythology Through a close examination of the culturally distinctive motif of the Jade Leaf the author reinterprets the foundational narratives of ancient China and highlights the symbolic and civilizational role of jade in shaping East Asian identity By bridging disciplines such as mythology literature history philosophy religion art and anthropology the book constructs a uniquely Chinese mythological coding system one that challenges conventional boundaries and offers fresh insight into the spiritual and cultural imagination of ancient China

**The Global White Snake** Liang Luo, 2021-08-09 Tracing the history and adaptation of one of China's foundational texts

*Philosophy, Myth and Epic Cinema* Sylvie Magerstädt, 2014-12-15 *Philosophy Myth and Epic Cinema* looks at the power of cinema in creating ideas that inspire our culture Sylvie Magerstädt discusses the relationship between art illusion and reality a theme that has been part of philosophical debate for centuries She argues that with the increase in use of digital technologies in modern cinema this debate has entered a new phase She discusses the notion of illusions as a system of stories and values that inspire a culture similar to other grand narratives such as mythology or religion Cinema thus becomes the postmodern mythmaking machine par excellence in a world that finds it increasingly difficult to create unifying concepts and positive illusions that can inspire and give hope The author draws on the work of Friedrich Nietzsche Siegfried Kracauer and Gilles Deleuze to demonstrate the relevance of continental philosophy to a reading of mainstream Hollywood cinema The book argues that our longing for illusion is particularly strong in times of crisis illustrated through an exploration of the recent revival of historic and epic myths in Hollywood cinema including films such as *Troy* *The Lord of the Rings* *Trilogy* and *Clash of the Titans*

**thersites 19** Briana King, Tiago de Melo Cordeiro, Luiz Fernando Ferreira Sá, Orestis Karavas, Michael Julian Fischer, Francesca Cichetti, Andelko Mihanovic, Diego De Brasi, Alicia Matz, Sonsoles Costero-Quiroga, Marina Díaz Bourgeal, Emma Ljung, Thais Rocha Carvalho, Babette Pütz, Avishay Gerczuk, Ronald Blankenborg, Pietro Vesentin, Sonja Schreiner, Richard Seltzer, Katharina Wesselmann, 2024-12-11 *thersites* is an international open access journal for innovative transdisciplinary classical studies edited by Annemarie Ambühl Filippo Carl Uhlir Christian Rollinger and Christine Walde *thersites* expands classical reception studies by publishing original scholarship free

of charge and by reflecting on Greco Roman antiquity as present phenomenon and diachronic culture that is part of today's transcultural and highly diverse world. Antiquity in our understanding does not merely belong to the past but is always experienced and engaged in the present. *Thersites* contributes to the critical review on methods, theories, approaches and subjects in classical scholarship which currently seems to be awkwardly divided between traditional perspectives and cultural turns. *Thersites* brings together scholars, writers, essayists, artists and all kinds of agents in the culture industry to get a better understanding of how antiquity constitutes a part of today's culture and transforms our present. *Thersites* appears twice yearly and publishes regular issues as well as specially themed and guest edited issues focused on individual subjects and questions. Call for papers are released regularly and long in advance on our homepage <https://thersitesjournal.de> and on other pages that feature announcements for classical studies. **The Speculative Route**  
Merve Tabur, Sami Ahmad Khan, 2025-08-29. *The Speculative Route* explores speculative traditions and science fictional modes across South and Southwest Asia and North Africa (SSWANA) examining their historical connections inter and intra regional entanglements, overlaps and differences. Conceptualizing science fiction and fantasy (SFF) as a mode rather than a genre, this volume challenges the putative boundaries between literary and genre fiction through critical studies and essays focusing on SFF from Bangladesh, Egypt, India, Iran, Pakistan, Palestine, Sri Lanka and Turkey. It demonstrates the ways in which science fictional modes of thinking and imagination function as critical tools for addressing social, cultural and political issues beyond genre conventions and expectations. Bringing together articles by leading scholars of SFF and think pieces by acclaimed authors of contemporary SF, this volume focuses on central themes such as the relationship between aesthetics and politics, alterity, world building, memory, trauma, colonialism and decolonization, ecology, gender, religion and mythopoetics. It engages with the past, present and future of speculative traditions in SSWANA and compares the visions that emerge from these seemingly disparate but historically connected entities. Part of the *Studies in Global Genre Fiction* series, this volume will be of great interest to academics, students and practitioners in the fields of genre studies, notably SF, SFF, comparative literature, media and popular culture, area studies, postcolonial studies and future studies as well as to readers who are interested in exploring SFF works from the Global South.

***Irish Women Writers and the Modern Short Story*** Elke D'hoker, 2016-07-28. This book traces the development of the modern short story in the hands of Irish women writers from the 1890s to the present. George Egerton, Somerville and Ross, Elizabeth Bowen, Mary Lavin, Edna O'Brien, Anne Enright and Claire Keegan are only some of the many Irish women writers who have made lasting contributions to the genre of the modern short story, yet their achievements have often been marginalized in literary histories which typically define the Irish short story in terms of its oral heritage, nationalist concerns, rural realism and outsider hero. Through a detailed investigation of the short fiction of fifteen prominent writers, this study aims to open up this critical conceptualization of the Irish short story to the formal properties and thematic concerns women writers bring to the genre. What stands out in thematic terms is

an abiding interest in human relations whether of love the family or the larger community In formal terms this book traces the overall development of the Irish short story highlighting both the lines of influence that connect these writers and the specific use each individual author makes of the short story form      **Dissertation Abstracts International** ,2001

**Moral Systems and the Evolution of Human Rights** Bruce K. Friesen,2014-10-27 This volume offers a comprehensible account of the development and evolution of moral systems It seeks to answer the following questions If morals are eternal and unchanging why have the world s dominant religious moral systems been around for no more than a mere six thousand of the two hundred thousand years of modern human existence What explains the many and varied moral systems across the globe today How can we account for the significant change in moral values in one place in less than 100 years time Using examples from classical civilizations the book demonstrates how increasing diversity compromises a moral system s ability to account for and integrate larger populations into a single social unit This environmental stress is not relieved until a broader more abstract moral system is adopted by a social system This new system provides a sense of belonging and purpose for more people motivating them to engage in prosocial or moral acts and refrain from socially disruptive selfish acts The current human rights paradigm is the world s first universal indigenous moral system Because moral systems can be expected to continue to evolve this book points to current boundaries of the human rights paradigm and where the next major moral revolution might emerge      *Southern Exposure* ,1996      *High Performance* ,1987

### Global Trend Myth Retelling Introduction

In the digital age, access to information has become easier than ever before. The ability to download Global Trend Myth Retelling has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Global Trend Myth Retelling has opened up a world of possibilities. Downloading Global Trend Myth Retelling provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Global Trend Myth Retelling has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Global Trend Myth Retelling. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Global Trend Myth Retelling. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Global Trend Myth Retelling, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Global Trend Myth Retelling has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
