couldn't put it down I read this book in my spare time over the course of 48 hours It was absolutely irresistible I quickly purchased the rest of the books in The Birthright Series and am anxiously awaiting the sixth installment After finishing this series I actually read through all of Bridget's work and each and every time I was blown away by the care and attention to detail that she put into the story I am in awe of the way that she can manage the entire universe so beautifully I haven't been this excited waiting for a new book to be released since I was a kid waiting for Harry Potter or Twilight to come out It's been a long time since I've gotten addicted to reading a book but Bridget is a very compelling author She's phenomenal at laying hints and she leaves no thread unfinished What you get is a complete clean story everything answered beautifully Her timing and pacing is incredible as well If you love romance if you don't mind starting a book and never wanting to put it down and you want a strong female character who is written by a woman with insight into what that really looks like this is it Read it Enjoy it

The highly anticipated second installment of the new adult fantasy saga that took BookTok by storm picks up where *A Broken Blade* left off. To the kingdom Keera is the king's Blade, his most feared and trusted spy and assassin. But in the shadows she works with Prince Killian and his Shadow, the dark brooding Fae Riven, who sets her blood on fire. Together they plot to kill a tyrant king. In Myrelinth, the lush secret city of trees, Fae Elves and Halflings like Keera live in harmony. But Keera cannot escape her past; her crimes against her own people have followed her all the way to the Faeland. There is a traitor in their midst, and Keera is the top suspect. Keera finds comfort in the allies that have become her family. She swore she would never open her heart again after a loss she barely survived. But she will soon find she has more to lose than she ever imagined.

Ryann Carroll has just run into the guy who saved her life ten years ago. You might think she'd be happy to see him again. Not exactly. She's a bit underdressed as in skinny dipping, and he's not supposed to exist. Lad knows the law of his people all too well. Don't get careless and don't get caught. It's allowed his race to live undetected in this world for thousands of years, mentioned only in flawed and fading folklore. Lad's never been able to forget about Ryann since that night ten years ago. When he sees her again, his fascination re-ignites and becomes a growing desire that tempts him to break all the rules. He isn't supposed to even talk to a human, much less fall in love with one. And the timing is atrocious. The Assemblage is coming, the rift between the Light and Dark is widening. Lad may have to trade his own chance at happiness to keep the humans, especially Ryann, blissfully ignorant and safe.
