Lost and Found

Tim Sharp,2024-07-02 From Australia's Dr Happy this is a guidebook to the power of becoming a bit more lost to getting out of our own heads and going off the beaten track Dr Tim Sharp has been researching writing and speaking about happiness for decades as one of Australia's leaders of the positive psychology movement But in recent years he's realised that maybe he's been a bit more lost than he wanted to admit And that might actually be a good thing A large and growing body of research highlights the value of getting lost to improve our resilience and our mental health That could mean literally wandering outdoors in nature or letting our minds do the wandering by sitting with negative thoughts and unpleasant emotions rather than constantly trying to fight or push them away Packed with psychological insights practical tips and personal stories from Tim's life Lost and Found is a new kind of self help book that invites all of you to the table the bad and the good your failures and your successes challenges and breakthroughs By sitting with discomfort we allow ourselves to become more authentic and vulnerable and by becoming lost we find our true selves
