

A large flock of sheep, mostly white with some black, is walking along a dirt path that winds through a deep, rocky mountain valley. The mountains are steep and rugged, with some snow or light-colored rock visible on the slopes. The sky is overcast with soft, grey clouds. The overall mood is serene and majestic.

Colossians David J. Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith Come and join the journey *The Miscellaneous Works of the Rev.*

If the trumpet give an uncertain sound who shall prepare himself to the battle 1 Corinthians 14:8 THE volume now in the reader's hands consists of a series of papers systematically arranged on the leading truths of Christianity which are necessary to salvation Few probably will deny that there are some things in religion about which we may think other people hold very erroneous views and are notwithstanding in no danger of being finally lost About baptism and the Lord's Supper about the Christian ministry about forms of prayer and modes of worship about the union of Church and State about all these things it is commonly admitted that people may differ widely and yet be finally saved No doubt there are always bigots and extreme partisans who are ready

to excommunicate every one who cannot pronounce their Shibboleth on the above named points But speaking generally to shut out of heaven all who disagree with us about these things is to take up a position which most thoughtful Christians condemn as unscriptural narrow and uncharitable On the other hand there are certain great truths of which some knowledge by common consent appears essential to salvation Such truths are the immortality of the soul the sinfulness of human nature the work of Christ for us as our Redeemer the work of the Holy Ghost in us forgiveness justification conversion faith repentance the marks of a right heart Christ's invitations Christ's intercession and the like If truths like these are not absolutely necessary to salvation it is difficult to understand how any truths whatever can be called necessary If people may be saved without knowing anything about these truths it appears to me that we may throw away our Bibles altogether and proclaim that the Christian religion is of no use From such a miserable conclusion I hope most people will shrink back with horror To open out and explain these great necessary truths to confirm them by Scripture to enforce them by some appeals to the conscience of all who read this volume this is the simple object of the series of papers which is now offered to the public The name which I have selected will prepare the reader to expect no new doctrines in this volume It is simple unadulterated old fashioned Evangelical theology It contains nothing but the Old Paths in which the Apostolic Christians the Reformers the best English Churchmen for the last three hundred years and the best Evangelical Christians of the present day have persistently walked From these paths I see no reason to depart They are often sneered at and ridiculed as old fashioned effete worn out and powerless in the Nineteenth Century Be it so None of these things move me I have yet to learn that there is any system of religious teaching by whatever name it may be called High or Broad or Romish or Neologian which produces one quarter of the effect on human nature that is produced by the old despised system of doctrine which is commonly called Evangelical I willingly admit the zeal earnestness and devotedness of many religious teachers who are not Evangelical But I firmly maintain that the way of the school to which I belong is the more excellent way The longer I live the more I am convinced that the world needs no new Gospel as some profess to think I am thoroughly persuaded that the world needs nothing but a bold full unflinching teaching of the old paths The heart of man is the same in every age The spiritual medicine which it requires is always the same The same Gospel which was preached by Latimer and Hooper and Bradford ruby Hall Deviant Usher Reynolds and Hopkins by Manton Brooks Watson Charnock Owen and Gurnall by Romaine Venn Grimshaw Hervey and Cecil this is the gospel which alone will do real good in the present day The leading doctrines of that gospel are the substance of the papers which compose this volume They are the doctrines I firmly believe of the Bible and the Thirty nine Articles of the Church of England They are doctrines which I find wear well and in the faith of them I hope to live and die I repeat most emphatically that I am not ashamed of what are commonly called Evangelical principles Fiercely and bitterly as those principles are assailed on all sides loudly and scornfully as some proclaim that they have done their work and are useless in this day I see no evidence whatever that they are defective or decayed and I see no reason for giving them

up No doubt other schools of thought produce great outward effects on mankind gather large congregations attain great popularity and by means of music ornaments gestures postures and a generally histrionic ceremonial make a great show of religion I see it all and I am not surprised It is exactly what a study of human nature by the light of the Bible would lead me to expect But for real inward effects on hearts and outward effects on lives I see no teaching so powerful as thorough genuine Evangelical teaching Just in proportion as the preachers of other schools borrow Evangelical weapons and Evangelical phraseology I see them obtaining influence No doubt the good that is done in the world is little and evil abounds But I am certain that the teaching which does most good is that of the despised Evangelical school It is not merely true and good up to a certain point and then defective and needing additions as some tell us it is true and good all round and needs no addition at all If those who hold Evangelical views were only more faithful to their own principles and more bold and uncompromising and decided both in their preaching and their lives they would soon find whatever infidels and Romanists may please to say that they hold the only lever which can shake the world The readers of the many tracts which God has allowed me to send forth for thirty years must not expect much that they have not seen before in Old Paths Experience has taught me at last that the peculiar tastes of all classes of society must be consulted if good is to be done by the press I am convinced that there are thousands of people in England who are willing to read a volume but will never look at anything in the form of a tract It is for them that I now send forth Old Paths Those who read through this book continuously and without a pause will doubtless observe a certain degree of sameness and similarity in some of the papers The same thoughts are occasionally repeated though in a different dress To account for this I will ask them to remember that most of the papers were originally written separately and at long intervals of time in some cases of as much as twenty years On calm reflection I have thought it better to republish them pretty much as they originally appeared Few readers of a religious book like this read it all through at once and the great majority I suspect find it enough to read quietly only one or two chapters at a time I now send forth the volume with a deep sense of its many defects but with an earnest prayer that it may do some good J C LIVERPOOL This classic includes the following chapters Chapter 1 Inspiration Chapter 2 Our Souls Chapter 3 Few Saved Chapter 4 Our Hope Chapter 5 Alive or Dead Chapter 6 Our Sins Chapter 7 Forgiveness Chapter 8 Justification Chapter 9 The Cross of Christ Chapter 10 The Holy Ghost Chapter 11 Having the Spirit Chapter 12 Conversion Chapter 13 The Heart Chapter 14 Christ s Invitation Chapter 15 Faith Chapter 16 Repentance Chapter 17 Christ s Power to Save Chapter 18 Election Chapter 19 Perseverance (*The daily Psalms, meditations, by the author of 'The daily round'*).
