Warquest John D. Belcastro,2021-10-15 1 Not for the faint of heart Jump on for a wild and nonstop ride with Angel and his team of warriors as they grapple with the impossibility of survival on a ravaged planet The result of a bionuclear Armageddon the earth is forever ruined A world where the weak long for death the mighty dispense it A world where the earth itself rebels to exterminate the parasite that is humanity A world where those unfortunate enough to survive find themselves in a barren toxic nightmare where death comes in grotesque form and living has lost all appeal Angel Martin the

herculean warrior known as the Angel of Death for his exceptional body count during WWII invites you to become a spectator in a ringside seat where you will delight in all the action up close and personal Watch out because when this madman goes on a rampage blood brains and body parts explode Together with his team of commandos they must combat massive mutated monsters and demons from another dimension amid the collapse of a decaying civilization The masses are dying as well as those of Angel s family from a mysterious disease brought on by the corrosive fulmination However when a beautiful escapee is rescued from an abusive military contingent she reveals that her captured father is a bionuclear engineer who may hold a cure In order to find and free the scientist the team must negotiate with undesirables in barter towns decimate well equipped sex traffickers battle mercenary militias and clash with heavily armed slave barons In order to accomplish this mission Angel leads his teammates through a malicious environment rife with giant monstrosities ghouls infested cities and nuclear wasteland in order to battle rogue military forces cutthroats and sinister organizations They must infiltrate the ranks of warring factions and survivalist coalitions while constantly seeking arms and bartering for provisions vital to continuing their quest
