*The Ministry of Intercession* Rev. Andrew Murray,2015-07-04 Christ actually meant prayer to be the great power by which His Church should do its work and that the neglect of prayer is the great reason the Church has not greater power over the masses in Christian and in heathen countries In the first chapter I have stated how my convictions in regard to this have been strengthened and what gave occasion to the writing of the book It is meant to be on behalf of myself and my brethren in the ministry and all God s people a confession of shortcoming and of sin and at the same time a call to believe that things can be different and that Christ waits to fit us by His Spirit to pray as He would have us When it comes to ministry are you feeling left out Too old Too young Too inexperienced Bored As if you ve been passed over Discover with Andrew Murray that prayer is the most dynamic opportunity available to God s children today It not only strengthens our own faith and energizes our times with God but it also enables us to intercede for others with tremendous results Through intercessory

prayer we can help to usher in the anointing launch revival and bring God's kingdom into tangible reality. Encounter the high calling and powerful purpose that God has designed for you. Aside from being a rich gold mine of biblical instruction and a series of excellent prayer motivators, this is the only book Murray ever wrote with a built-in thirty-day study course in the practice of intercession. Included in the latter part of this exceptional book is a 31-day course in practical intercession. For each day, he gives brief instructions on what to pray and how to pray, some Scripture portions particularly suited to the instructions, and then provides space for writing down special prayer requests.

**The Practice of Intercession** Zacharias Tanee Fomum, 2016-12-11. DON'T GET ON YOUR KNEES WITHOUT IT. This book is the sequel and companion to *The Art of Intercession*. The current volume, as its title suggests, focuses on the more practical aspects of intercession: the use of time, discipline, goals, fasting, resisting the devil, the use of the Bible, and knowledge of facts. From the practical Professor Fomum leads us through the levels of intercession from the beginner to the advanced. He goes on to give practical lessons on high-level spiritual warfare against principalities and powers for those who are called. There are sections on intercessory prayer chains and a full-time ministry of intercession. All this from the pen of one who has himself advanced through the school of calloused knees. If God is calling you to be an intercessor, this is the single best, most practical manual to get you started or advancing on your knees.

**The Ministry of Intercession** Andrew Murray, 1898. **Commanding the Forces** Geneva M. Hunter, 2016-11-09. God will use this book. *Commanding the Forces* to birth a quest and deep desire for more of him within all that will receive. It will further facilitate the revelation of who you are, why you are, and where you are destined to go. In addition, some very pertinent questions are answered, such as: what has really been going on in your life? Why have you been under such severe attacks from the enemy? Why are there certain activities or relationships forbidden to you or are outside of your comfort zone? Why are you now and always different? All who have been called to the ministry of intercession are not necessarily in the church just yet. The enemy has bombarded you with such fierce attacks that you're not even sure you're a believer right now. The attacks are perpetrated to prevent your coming to God and fulfilling your God-given destiny. Praying saints are very frightful to the enemy, so he will do everything in his power to keep you from knowing who you really are. *Commanding the Forces* will serve to answer some pertinent questions, reveal hidden biblical secrets, eradicate confusion, and further educate the body of Christ and beyond concerning this often misunderstood ministry.
