## Ministry We Need:

**The Ministry We Need** Jeremy A. Rogers, Jordan N. Rogers, Tony A. Rogers, 2022-05-26 What would cause the apostle Paul to testify that I am innocent of the blood of all Godly qualities characterized his ministry and outside of Christ's there is no greater ministry example All ministers struggle and we all know those who toil in frustration alongside us in the Lord's field You may be amid deep struggle now worn tattered scarred ready to quit you have lost the focus and the joy of your calling Most of us in ministry have known those who have either left the ministry or shipwrecked their faith Quite possibly this is you What we need to do is put our hands to the plow focus on our calling and the path before us and determine to finish well Drawing on Paul's example from Acts 20:17-38 the authors prescribe ministry principles touching on a wide range of pastoral and preaching insights Some have a ministry they should not want some desire a ministry they think they want but this book seeks to identify the ministry we need [The Ministry We Need](#) Seth Sweetser, 1873 [To Serve in the Human Spirit](#) Witness Lee, 2016-03-01 This book covers the three basic matters crucial to serving the Lord in the church It shows us that for the proper Christian service we must serve in the Body in our human spirit and by prayer The Bible reveals that the foundation of all genuine Christian service is the built up church God's unique goal is to gain a Body for Christ He did not regenerate us to be individual units complete in ourselves Col 3:15 but to be members of this unique Body 1 Cor 12:12-20 which is a corporate entity a spiritual house a holy and royal priesthood 1 Pet 2:5-9 Having been placed in the Body 1 Cor 12:18 as members we must be tempered together 1 Cor 12:24 and as living stones we must be built up together 1 Pet 2:5 Our service should never be carried out in an independent way or in an individualistic manner but in coordination with the other members in the Body Rom 12:4-5 Our service must be something of the Body in the Body with the Body and for the Body To enter into the reality and practicality of this service growth in life is necessary Without the growth in life the church cannot be built up Eph 2:21-4:15-16 and without the built up church there cannot be the genuine service Also without the Holy Spirit we do not have the way to serve However to apply the Holy Spirit in our service we must serve God in our human spirit Rom 1:9 even in newness of spirit Rom 7:6 When we were regenerated we were born of the Holy Spirit in our spirit John 3:6 and we became one spirit with the Lord 1 Cor 6:17 From this time onward we need to live to walk to act and to serve in the spirit The main purpose of our service is to minister Christ as life to others thus as we serve the Lord in the Body we must use our spirit to contact the Triune God John 4:24 In the book of Ephesians a book on the Body of Christ Paul speaks of our regenerated human spirit in every chapter 1:17-2:22 3:16-4:23 5:18-6:18 Whether we serve the Lord in preaching the gospel offering a prayer ministering the Word visiting the saints or calling a hymn in a meeting we must exercise our spirit By the exercise of our spirit we appropriate the Triune God every time we serve Furthermore we must serve by prayer The book of Acts reveals that the Christians in the early days of the church age served by prayer Acts 1:14-24 2:42-3:1-6 4:10-2:4 9:11-5:12 5:13-1:3 14:23-16:25 20:36-28:8 This was the only means used by them to carry out the Lord's work Thus we all

need an appetite for prayer for without prayer there is poverty in our service We need much prayer individually and corporately never initiating or doing anything without it and always praying in our spirit Eph 6 18 Today we need the prevailing prayer which is of the Body identified with the Body and in our spirit [The Pastor in a Secular Age \(Ministry in a Secular Age Book #2\)](#) Andrew Root,2019-06-18 In Faith Formation in a Secular Age the first book in his Ministry in a Secular Age trilogy Andrew Root offered an alternative take on the issue of youth drifting away from the church and articulated how faith can be formed in our secular age In The Pastor in a Secular Age Root explores how this secular age has impacted the identity and practice of the pastor obscuring his or her core vocation to call and assist others into the experience of ministry Using examples of pastors throughout history from Augustine and Jonathan Edwards to Martin Luther King Jr and Nadia Bolz Weber Root shows how pastors have both perpetuated and responded to our secular age Root turns to Old Testament texts and to the theology of Robert Jenson to explain how pastors can regain the important role of attending to people's experiences of divine action offering a new vision for pastoral ministry today **Youth Ministry 3.0** Mark

Oestreicher,2008-11-04 Over the past several decades there have been three significant shifts in youth culture each new shift brought with it different values and priorities in the lives of teens Youth ministries adapted and responded to the first two shifts but we're missing the boat on the third The result Youth ministry isn't addressing the realities and needs of today's youth culture After nearly three decades in youth ministry Mark Oestreicher has lived through a lot of those shifts himself In recent years he's found himself wondering what needs to change especially since so much of what we're doing in youth ministry today is not working In Youth Ministry 3.0 youth workers will explore along with Marko and the voices of other youth workers why we need change in youth ministry from a ministry moving away from a dependence on programs to one that is focused on communion and mission They'll get a quick history of youth ministry over the last fifty years And they'll help dream about what changes need to take place in order to create the next phase of youth ministry the future that needs to be created for effective ministry to students *No Longer Silent* Mike Beck,2011-10 QUOTES FROM THE CHAPTER LET

S BE REAL Do we have any understanding of the unchurched culture in which we live and the way these people view the church Do we spend intentional time cultivating relationships with non Christian people or is our attitude one of they know where we are and they'll come if they want to If the church is truly to experience a revival we must seek to understand the needs and thinking of unchurched Harry and Mary We need to stop playing our pious religious games and realize that the church is to be a haven for broken hurting people who feel they don't have their lives all together And if we look at the teachings of Jesus He consistently taught that it was those people who felt they had it all together who in fact were farthest from God In no way am I diminishing the importance of sound doctrine but I have often laughingly said that we will be surprised when we get to Heaven at some of the people living in our neighborhood We must acknowledge our own struggles with complex issues and at times admit that we don't have God in a neat box and therefore don't have all the answers

Although sound theology is important my Bible says first and foremost that they will know we are Christians by our love Christ said that He had come not to comfort the already comfortable but to preach good news to the poor to proclaim recovery of sight to the blind to release the oppressed and to proclaim the year of the Lord s favor Is that our message as well If not then it s time for us to be real     **The Ministry of Helps** Rev. Lawrence C. Spencer,2017-02-09 Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldnt put your finger on it Well these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in Gods Kingdom work To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest Bring these practical things home and put them to work Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service You will not be sorry you invested in this training for you and your ministry team Rev Lloyd Tremain Paradise Community Church of the Nazarene A thorough practical and much needed Biblically sound treatment Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today John Steffensen Radio Host Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of

choosing and training people and tips for managing them
