*Minorities in the New World* Charles Wagley, Marvin Harris, 1967 *Minorities in the New World. Six Case Studies.* [By] Charles Wagley and Marvin Harris, 1959 *Minorities in the New World. Six Case Studies (based in Part Upon Studies Prepared for UNESCO by Social Scientists of Five Different Countries.)*. Charles Wagley, Marvin Harris, 1958 **Speaking of Diversity** Philip Gleason, 2019-12-01 Originally published in 1992 In this collection of essays Philip Gleason explores the different linguistic tools that American scholars have used to write about ethnicity in the United States and analyzes how various vocabularies have played out in the political sphere In doing this he reveals tensions between terms used by academic groups and those preferred by the people whom the academics discuss Gleason unpacks words and phrases such as melting pot and plurality used to visualize the multitude of ethnicities in the United States And he examines debates over concepts such as assimilation national character oppressed group and people of color Gleason advocates for greater clarity of these concepts when discussed in America s national political arena Gleason s essays are grouped into three parts Part 1 focuses on linguistic analyses of specific terms Part 2 examines the effect of World War II on national identity and American thought about diversity and intergroup relations Part 3 discusses discourse on the diversity of religions This collection of eleven essays sharpens our historical understanding of the evolution of language used to define diversity in twentieth century America *The Crisis*, 1959-03 *The Crisis* founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years *The Crisis* has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens **Ethnography in Today's World** Roger Sanjek, 2014 In *Ethnography in Today s World* anthropologist Roger Sanjek addresses the essential practice and purpose of ethnography in ethnically diverse settings Drawing on decades of globe spanning fieldwork he examines how ethnographic fieldwork is and can be conceived conducted and communicated in today s interconnected world *Social Science Literature* Wesley L. Gould, Michael Barkun, 2015-03-08 This bibliography is a companion volume to *International Law and the Social Sciences* One of the aims of the earlier work by Wesley L Gould and Michael Barkun was to show how social science concepts could be employed in research in international law With the support and encouragement of the American Society of international Law they have now compiled a broad and thorough survey of social science literature of potential usefulness to students and practitioners of international law Arranged by topics the works cited range over political science economics sociology anthropology geography and many interdisciplinary fields Material on possible methodological approaches is also included Each citation is fully and critically annotated and cross indexed Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books

from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Minorities and Minority Problems** Eric Fischer, 1980

**Cultures of the Pacific** Thomas G. Harding, Ben J. Wallace, 1970-04 Cultures of the Pacific offers a selection of 28 readings representing anthropological research interests cultural variation in the Pacific The selections emphasize anthropological significance and relevance rather than substantive and geographical coverage The articles are divided into 6 topical areas of major importance Culture History Technology Economics Social Life Politics Social Control Religion Culture Change Among the selections included are The Kon Tiki Myth by Robert C Suggs The Primitive Economics of the Trobriand Islanders by Bronislaw Malinowski and The Rights of Primitive Peoples by Margaret Mead Many of the selections including 4 previously unpublished papers have not been readily available to the reader Editors introductions to each section indicate the place of the individual contributions in Pacific studies in particular and in anthropology in general Illustrations tables complement the text Cultures of the Pacific is designed primarily for undergraduate graduate courses in the anthropology of Pacific peoples cultures It will also find application in courses dealing with the cultural geography history of the Pacific as well as those concerned with the political science economic development of the area

**Theory in Social and Cultural Anthropology** R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will In response SAGE Reference plans to publish the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader's Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader's Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and
