Miracles And Parables:

Miracles, Parables and Commandments of Jesus Koshy Mathew Thachireth, 2019-05-15 This book is a collection of the miracles parables and commandments of Jesus presented by way of comparative study of the four gospels Jesus is presented here as a human being homeless and itinerant who became son of God through renunciation meditation which led to self realization He through the miracles taught us to restrain from self glorification the root cause of sin but give glory to God for all your achievements because it is not your body but the spirit of God in you that enables you to do miracles or the works of God Through the Parables he taught us to what is the kingdom of God and how to seek it The Commandments conveyed to us through the Sermon on the Mount teach us how to purify our hearts lead a righteous life and become perfect or sons of God who is perfect One who realize the truth of the Sermon and live accordingly would become God on earth It is the sum total of all ancient great religions in the world This book is divided into three parts the first part dealing with miracles performed by Jesus the second with parables told by Jesus in the course of his public ministry that form part of his teachings and the third commandments as contained in the Sermon on the Mount

Miracles and Parables of Our Lord Charles Haddon Spurgeon, 1992 0801082919 *Irony and Jesus* Rob Gieselmann, 2019-12-08 Did Jesus

really expect people to sell all their possessions or to hate their fathers and mothers Or is it possible that both Jesus and the gospel writers used literary devices to layer a variety of meanings into the fabric of Jesus life and the stories he told On the surface the stories appear to mean one thing but beneath the surface surprises lurk In this book Rob Gieselmann presents parables stories and actions of Jesus to re view them in the light of irony In *Irony and Jesus* you will find eleven instances of stories found in the gospels plus one found in the Good Friday tradition explored through interpretations often ignored or hidden by mainstream interpreters For example when Jesus scolded Peter for lacking faith while walking on water Peter sank What if Jesus scolded Peter not for his immature faith s inability to hold him afloat but instead because Peter lacked the faith necessary to stay in the boat We often treat scripture as a judgmental school teacher rather than as a gentle mentor leading us into a more mature experience of faith Yet so much of Jesus and his words are in the end about the fact that God really does love everybody everybody scandalously which must mean in the end that God loves you just as you are What if you read scripture through that lens rather than the more typical judgmental lens A lens like that can change a life As Rob likes to say I am not literal about scripture I am not literal about hierarchical authority I am literal about grace In these pages you will discover a literal grace to renew your faith A priest in the Episcopal Church Rob has taught Scripture for over twenty years encouraging students to look behind scripture s veil of words to discover creative and unexpected wisdom His previous books include *The Episcopal Call to Love* and *A Walk Through the Churchyard* **Parables and Miracles** Toni Matas,2018-08-01 On his way to Jerusalem Jesus met a law teacher and told him a story about a Samaritan who helped a wounded man Learn more about the stories Jesus told and the miracles he performed in *Parables and Miracles* part of the *Discover the Bible* series **Of Parables and Miracles** Allan Lawrence Hauer,2023-08-04 *OF PARABLES AND MIRACLES* is a profoundly inspirational book that delves into the timeless wisdom of Jesus parables and miracles found in the Bible Its purpose is to enrich the reader s spiritual journey allowing their faith to flourish and deepen Throughout the book the author skillfully weaves insightful commentary offering a thorough exploration of the profound teachings within Jesus parables and miracles The author s explanations are accessible making complex concepts understandable even for those without a vast spiritual background With a captivating narrative style the book effortlessly draws readers into the profound messages and transformative power of these biblical passages **Life in Christ Vol 1** Charles H. Lord Jesus Christ's miracles and parables. Men who were led by the hand or groped their way along the wall to reach Jesus were touched by his finger and went home without a guide rejoicing that Jesus Christ had opened their eyes. Jesus is still able to perform such miracles. And with the power of the Holy Spirit his Word will be expounded and we'll watch for the signs to follow expecting to see them at once. Why shouldn't those who read this be blessed with the light of heaven? This is my heart's inmost desire. I can't put fine words together. I've never studied speech. In fact my heart loathes the very thought of intentionally speaking with fine words when souls are in danger of eternal punishment. No, I work to speak straight to your hearts and consciences and if there is anyone with faith to receive God will bless them with fresh revelation. Charles H. Spurgeon.

In this fourth volume Charles H. Spurgeon expounds in marvelous detail on the following miracles: Jesus tells Simon to cast his net on the other side of the boat and he obeys (Luke 5:4-5); Jesus heals the centurion's servant and marvels because of the centurion's great faith (Matthew 8:7-10; Luke 7:4-8); Jesus casts an unclean spirit out of a man and all are amazed at His authority (Mark 1:21-28); Jesus heals the persistent Gentile woman's daughter and compliments her remarkable faith (Matthew 15:24-28).
