Mirror For Gotham:

Mirror for Gotham Bayrd Still, 1994 A collection of some 600 excerpts from contemporary essays and letters plus numerous b w photos and reproductions capturing a panoramic picture of the city from Dutch days to the 1950s Pieces by authors such as James Fenimore Cooper Charles Dickens and Mark Twain are organized chronologically covering eras such as the early national period the emergence of the modern city 1870 1900 and the golden generation 1900 1930 A new introduction by James F Richardson brings the account up to date *Mirror for Gotham* Bayrd Still, 2017-05-28 Excerpt from *Mirror for Gotham* New York as Seen by Contemporaries From Dutch Days to the Present It goes without saying that some of these narratives mirror more faithfully than others the spirit and details of the urban scene Some obviously were written on all too brief acquaintance with the city Few writers were as intellectually humble as Lin Yutang who after ten years of residence in the United States contended that he did not know enough to write a book about Eighty fourth Street let alone all the dark fathomless mysterious city of New York At times language difficulties led to confusion for commentators who had to cope with a foreign tongue as well as a foreign scene Not many were as frank in admitting this inadequacy as the Spanish Visitor who entitled his book *New York Impressions of a Nineteenth Century Spaniard Who Does Not Know English* Bias inevitably affects the accuracy of some of the writing of this kind The comments of Visitors from Boston and Philadelphia now and again betray the rivalry with New York that prevailed among her urban competitors along the Atlantic coast and observers of European origin were palpably not unaffected by the relations existing at the moment between their homelands and the United States The resident commentator can be biased too yet local pride or nostalgia sometimes serves the historian when it prompts a reflective New Yorker to compare the existing city with the one he knew in bygone days The resident's observations benefit from his closer acquaintance with the local scene but his familiarity with it often results in the omission of details which the best of the foreign chroniclers do not overlook About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Harlem at War** Nathan H.
