The Mirror William A. Stephens, Jr.,2017-12-30 The Mirror dates back to when I was a child to a time I was suffering with severe Post Traumatic Stress Disorder This is an inspirational book for people who are dealing with issues and trying to cope from the demons of PTSD The stories you are about read some are long but never dull Some of the stories are based on relationship and based around family and friends Some were written during the time of conflict or war Poetry is to relax the mind when your mind is filled with all kinds of hate and killing and there is nowhere for things to go and no more bullets left to shoot at the enemy and nowhere do you go from here **Harper's Young People** ,1886

Savage Grace Jay Griffiths,2015-01-01 Jay Griffiths is a tour guide for anyone who has ever wished to commune with the side of our human psyche that remains in touch with the wild Equally at home among the sea gypsy Bajo people who live off the coast of Thailand and forage their food from the ocean floor drinking the psychedelic ayahuasca plant with Amazonian shamans or joining an Inuit whale hunt at the northern tip of Canada Griffiths takes readers on an adventure both charted and un chartable She divides her meditations on these travels into sections named after the ancient elemental properties of the universe Earth Air Fire Ice and Water because her subject matter is not merely the places traveled to but the depths of mind and the cultural narratives revealed by place It is a universal story told of far flung groups of humans with vastly different ways of life connected through the varied wilderness that sustains them By describing the ways in which human societies and the human mind have developed in response to the wilder elements of our homelands Savage Grace reveals itself as a benediction for the emotional intellectual and physical nourishment that people continue to draw from the natural world Under the sway of Griffiths charisma her poetic prose and her deeply learned and persuasive case for the wild roots of our shared human being we learn that we are all each and every one of us a force of nature *The People's Cyclopedia of*
