

# 3 Models of Disability

## Moral

This model encompasses beliefs that disabled people or their families are morally responsible for their disability.

## Medical

This model views disability as a direct result of abnormalities in the body or mind, which it aims to cure.

## Social

This model asserts that society is the primary cause of disability, and the "problem" lies in society, not in the individual.

**Lawrence Shapiro**

## **Models Of Disability:**

*Handbook of Disability Studies* Gary L. Albrecht, Katherine D. Seelman, Michael Bury, 2001 This path breaking international handbook of disability studies signals the emergence of a vital new area of scholarship social policy and activism Drawing on the insights of disability scholars around the world and the creative advice of an international editorial board the book engages the reader in the critical issues and debates framing disability studies and places them in an historical and cultural context Five years in the making this one volume summarizes the ongoing discourse ranging across continents and traditional academic disciplines To provide insight and perspective the volume is divided into three sections The shaping of disability studies as a field experiencing disability and disability in context Each section written by world class figures consists of original chapters designed to map the field and explore the key conceptual theoretical methodological practice and policy issues that constitute the field Each chapter provides a critical review of an area positions and literature and an agenda for future research and practice The handbook answers the need expressed by the disability community for a thought provoking interdisciplinary international examination of the vibrant field of disability studies The book will be of interest to disabled people scholars policy makers and activists alike The book aims to define the existing field stimulate future debate encourage respectful discourse between different interest groups and move the field a step forward The Social Model of Disability in India Ranjita Dawn, 2021-05-27 This book presents various paradigms and debates on the diverse issues concerning disability in India from a sociological perspective It studies disability in the context of its relationship with concepts such as culture religion media literature and gender to address the inherent failures in challenging prevalent stereotypical and oppressive ideologies It traces the theological history of disability and studies the present day universalized social notions of disablement The volume challenges the predominant perception of disability being only a medical or biological concern and provides deeper insight into the impact of representation through an analysis of the discourse and criteria for normalcy in films from the nineteenth and twentieth centuries It analyzes the formation of perspectives through a study of representation of disability in print media especially children s literature comics and graphic novels The author also discusses the policies and provisions available in India for students with disabilities especially women who have to also contend with gender inequality and gender based discrimination The book will be of interest to scholars and researchers of disability studies educational psychology special education sociology gender studies politics of education and media ecology It will also be useful for educationalists NGOs special educators disability specialists media and communication professionals and counsellors **The Oxford Handbook of the Sociology of Disability** Robyn Lewis Brown, Michelle Maroto, David Pettinicchio, 2023 The Oxford Handbook of the Sociology of Disability provides foundational chapters on where we have been where we are now and where we must go with research on and in the sociology of disability In doing so the Handbook chapters wrestle with important questions around inequality poverty exclusion political activism and empowerment cultural

attitudes global policies and practices and much more      *Models of Disability Compensation and Rehabilitation Systems*  
,1988      **The Physically Disabled Dancer and the Affirmative Model of Disability** Lawrence Shapiro,2025-05-06 This

volume investigates the contributions and achievements of the physically disabled dancer while challenging and recognizing the inherent inequities in the field of integrated dance in the UK which currently places greater emphasis on the learning disabled performer This is the first book ever written by a physically disabled dancer on the subject of physically disabled dancers Inherent in this examination is the model of examining disability that is most closely associated with the disability arts movement which is the affirmative model of disability This model is defined as an approach to disability in which the disabled person is neither an object of medical care nor a victim of social indifference but a self respecting autonomous individual in which their disability is a positive and affirming aspect of their self identity This book based on interviews with physically disabled dancers choreographers academics and arts producers all in a UK context combines a wide range of perspective of disability dance together with the intellectual rigour of disability studies to produce a new definition of the physically disabled dancer as an affirming positive indispensable practitioner of contemporary performance art The volume pioneers perspectives of the physically disabled dancer prioritizing first person accounts from the performers themselves to produce an unprecedented contribution to the study of disability arts from a uniquely British perspective This book will offer educators as well as arts and cultural professionals a critical resource for facilitating work by and in alliance with practitioners of integrated dance      **Implementing the Social Model of Disability** Colin Barnes,Geoffrey Mercer,2004

**The Development of Disability Rights Under International Law** Arlene S. Kanter,2014-11-27 The adoption of the Convention on the Rights of People with Disabilities CRPD by the United Nations in 2006 is the first comprehensive and binding treaty on the rights of people with disabilities It establishes the right of people with disabilities to equality dignity autonomy full participation as well as the right to live in the community and the right to supported decision making and inclusive education Prior to the CRPD international law had provided only limited protections to people with disabilities This book analyses the development of disability rights as an international human rights movement Focusing on the United States and countries in Asia Africa the Middle East the book examines the status of people with disabilities under international law prior to the adoption of the CRPD and follows the development of human rights protections through the convention s drafting process Arlene Kanter argues that by including both new applications and entirely new approaches to human rights treaty enforcement the CRPD is significant not only to people with disabilities but also to the general development of international human rights by offering new human rights protections for all people Taking a comparative perspective the book explores how the success of the CRPD in achieving protections depends on the extent to which individual countries enforce domestic laws and policies and the changing public attitudes towards people with disabilities This book will be of excellent use and interest to researchers and students of human rights law discrimination and disability studies      *Routledge Handbook of*

*Disability Law and Human Rights* Peter Blanck, Eilionóir Flynn, 2016-07-07 This handbook provides a comprehensive and authoritative state of the art review of the current and emerging research and policy on disability law Bringing together a team of respected and experienced experts the handbook offers a range of jurisdictional and multidisciplinary perspectives The authors consider historical and contemporary as well as comparative perspectives of disability law Divided into three parts the contributors provide a comprehensive reference to the theoretical underpinnings ongoing debates and emerging fields within the subject The study provides a strong basis for consideration of contemporary disability law its research foundations and progressive developments in the area The book incorporates interdisciplinary and comparative country perspectives to capture the breadth of current discourse on disability law This handbook provides a valuable resource for a wide range of scholars public and private researchers NGOs and practitioners working in the area of disability law and across national and transnational disability schemes The work will be of important interest to those in the fields of sociology history psychology economics political science rehabilitation sciences medicine technology and law among others

**The Social Model of Disability** Grant Carson, Scottish Accessible Information Forum, 2009-06-18 Contains practical steps you can take to meet the information needs of most disabled people This title is suitable for policy and decision makers in education health and throughout public and private sectors colleges and universities

**The Individual and Social Models of Disability** Michael Oliver, 1990 *Journal of Disability Policy Studies*, 2011 **Encyclopedia of Disability**

Gary L Albrecht, 2005-10-07 SAGE Reference is proud to announce the five volume Encyclopedia of Disability This encyclopedia represents the first attempt to bring an authoritative reference resource to the many faces of disability More than 500 world renowned scholars have written over 1 000 entries in a clear accessible style with the desire to bring all students researchers and interested readers closer to the daily experience of disability Volumes 1 4 cover disability A to Z including a reader's guide comprehensive bibliography and index Volume 5 contains a wealth of primary source documents in the field of disability The Encyclopedia of Disability is a must have reference for all academic libraries large public libraries and any social science medical legal or governmental reference collections Non governmental organizations charitable foundations and law firms will also want to add this set to their collections

**The Psychological and Social Impact of Disability** Robert P. Marinelli, Arthur E. Dell Orto, 1991 **Social And Medical** Cammie Gronowski, 2021-07-03 The author is someone whose views are interesting particularly as he is not a sheep blindly following in a community that is increasingly being infiltrated by the hard left where different viewpoints are never tolerated As a disabled community if we ever got our act together we would be a block that could not be ignored much like pensions are now There is a lot of us and if we are organized we could focus the minds of policymakers of all the political persuasion

**A Hierarchy of Disability** Katherine Anne Hayward, 2005 *The Faces of Intellectual Disability* Licia Carlson, 2009-12-22 In a challenge to current thinking about cognitive impairment this book explores what it means to treat people with intellectual disabilities in an

ethical manner Reassessing philosophical views of intellectual disability Licia Carlson shows how we can affirm the dignity and worth of intellectually disabled people first by ending comparisons to nonhuman animals and then by confronting our fears and discomforts Carlson presents the complex history of ideas about cognitive disability the treatment of intellectually disabled people and social and cultural reactions to them Sensitive and clearly argued this book offers new insights on recent trends in disability studies and philosophy      **Analysis of Disability Statistics in Sri Lanka, 2001** K. W. S. Saddhananda, 2004      Disabled People in a Dynamic Model of Labour Supply and Labour Market Transitions Michal Myck, Howard Reed, 2005      *The American Psychologist*, 2003 Includes proceedings of the 54th 55th annual meetings of the association 1946 47 and proceedings of meetings of various regional psychological associations      Exploration of Siblings' Explanatory Models of Autism Faye Isobel Carter, 2008

## **Models Of Disability** Book Review: Unveiling the Magic of Language
