pleasure that I share my recipes my stories and friends comments I hope you enjoy my creative endeavors and find inspiration to spark your own Once when I asked friends over for dinner they asked me to select a menu reflecting my heritage During that dinner the conversation centered on the intrigue of the history associated with family recipes and food traditions The exchange of stories that evening inspired me to write my personal history along with the recipes with the hope that my stories will bring enjoyment to others In this way I would create a book that would reflect my life and career my memoirs
