The main purpose of this book is to inform laypeople and the professional public about the possibilities offered by cosmetic ingredients of natural origin, to present findings from the latest research and to describe traditional practices. The book does not describe diseases and symptoms, and is not intended for self-treatment. Some listed diseases should not be subject to self-treatment, as only trained medical practitioners may make the proper diagnosis and prescribe the appropriate treatment after thorough examination. Typographical errors may appear in the book, despite a thorough review. The authors, editors and publisher shall not be held liable for any damage arising from the use of this book.
