Becker, 2015-01-30

Music has existed before the dawn of time Its source flows from the essence of God Himself and was created for the purpose of creating a melodious conduit from which could flow the highest form of praise and worship through created beings towards the creator Himself Lucifer who was created as an angelic being of praise and adoration to God was the most decorated of all His creation was a veritable angelic musical instrument When God created man He imparted to him His authority to have dominion over the earth and music was a part of that impartation Man fell however and gave his authority and thus the purpose and power of music back over to Satan Formerly Lucifer who has been perverting the purpose of music here on earth ever since As such down through the years many musicians even in ministry are entrapped by this exact same attitude of self pride in the name of popularity professionalism and or musicianship so that the ideals and agenda of the flesh the world and the enemy have eventually crept into Christian music and ministry This accounts for the wide spread division and destruction among so many Christian bands today and why so many people are so easily enthralled by sensuous music or a fleshly expression of it The result is that rather than being a ministry to others music has often become a means of self pleasure and promotion In other words a curse noise that God refuses to hear Away with the noise of your songs I will not

listen to the music of your harps Amos 5 23 God is urgently calling Christian music leaders and musicians today to take back what the enemy has been allowed to continue to steal kill and destroy through music for so long by stepping up and stepping out in the power of His anointing through the most powerful spiritual medium created the anointed message of the gospel through the lyrics and melody of music

When They Began to Sing Alvin D. Fruga,2005 What church service would be complete without music And yet many of us believe our music directors choir members and musicians perform simply to entertain us and bring balance to the service In truth their responsibility and privilege lies on a much higher level They are each ministers who have been called to prepare the hearts of the congregants for the planting of the Word of God When They Began To Sing focuses first on the commitment of spirit mind and body Before the first note is ever formed the intent of the heart must be examined The tools found within the pages of this book are critical for building any music minister and their ministry

The Calling of a Musician Kwabena D. Frimpong,2014-06-13 The music ministry is a very attractive ministry indeed It is a ministry that inspires people which blesses people which causes people to encounter God It is important therefore for Musicians to understand that the God who made music is a Master Musician Himself He established the foundations of this great gift and made it available for us to discover The Calling of a Musician is a book that unveils important principles to empower Musicians to excel in their calling and to function effectively the way God designed them to function This book will teach you 1 How to relate to God in your life as a Musician 2 The importance of walking with God 3 How to respond to God through your songs as a Musician 4 The difference between Spirit filled songs and non Spirit filled songs and many more

Congregations that are alive and vibrant have vital music programs How did they get that way There are sensible and practical steps to develop such a program which begins with a clear vision of the end product This book addresses the many interrelated issues of defining and embracing the leadership role in the church music program that is required of clergy in parish ministry and essential for a healthy congregation Clergy and musicians work toward the same goals however clergy are trained differently from musicians How does this fact impact their relationship and how can they learn to work together in an atmosphere of mutual respect The practical issues of employment can be addressed more effectively in this atmosphere If one is looking for the right musician for the parish what qualities does one seek How does one find such a rare and gifted individual A successful search complete how does the clergyperson work harmoniously with the music leader This book provides a blueprint for Developing a vision for music in your parish Locating a musician who is a partner in ministry How music comes and goes in the church s repertoire Moving from musician as performer to musician as pastor **The Art of Worship** Greg Scheer,2006-12-01 Contemporary worship continues to gain strength as the form of worship of choice for many churches across the country The Art of Worship is a complete resource to which a musician or pastor can turn when asked to lead contemporary music It provides in depth instruction to every aspect of contemporary worship leadership from assembling the team to choosing the music to conducting rehearsals Author Greg Scheer takes a balanced holistic approach embracing the contemporary style without denying older traditions and encouraging excellence without ignoring the realities of the local church context Worship team leaders musicians and pastors looking for a quality comprehensive resource need look no further **Rivals Or a Team?** Eileen Morris Guenther,2012 **The Christian Musicians Devotional** Marie Wise,2014-04-30 Digging deeper into ministry means drawing closer to God and living His love for people The Christian

Musicians Devotional is specifically for Christian musicians who desire extraordinary music ministries This book addresses the attitudes issues and difficulties involved with music ministry Each of the 365 daily devotions is designed to keep us focused on what really matters to love God and live His love for people Only by living love can we attain our goal of bringing people closer to Jesus More importantly only by maintaining a dynamic love for God can we sustain the extraordinary music ministry that God has planned for us The definition of a Christian music minister does not necessarily include being signed to a national label or a photograph on the cover of a well known magazine Many Christian music ministers will never be famous Most of us work another job to support our music Being a tent maker like the apostle Paul does not lessen the impact or the power of our ministry Likewise being paid to do full time work in our ministry like the apostle Peter does not eliminate the struggles of life as a musician Regardless of whether we work full time in ministry or as tent makers Christian music ministers must stay spiritually strong while working long hours both on and off the road The Christian Musicians Devotional will help us develop a deeper love for God and for people
