## Minor Prophets:

*Minor Prophets, Part 2* Michael H Floyd, 2000-02-14 In this volume Floyd presents a complete form critical analysis of the last six books in the Minor Prophets Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi By looking carefully at the literary genre and internal structure of each book Floyd uncovers the literary conventions that help shape the composition of these prophetic books in their final form His approach yields fresh views of how the parts of each book fit together to make up the whole particularly with respect to Nahum Haggai and Malachi and provides a basis for reconsidering how each book is historically related to the time of the prophet for whom it is named This work will be useful to scholars because it advances the discussion regarding the holistic reading of prophetic books and useful to pastors and students because it shows how analysis of literary form can lead to a more profound understanding of the messages of the Minor Prophets **The Minor**

**Minor Prophets II (Understanding the Bible Commentary Series)** John Goldingay,Pamela J. Scalise,2012-07-01 The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six Hosea Joel Amos Obadiah Jonah and Micah This second volume deals with the final six books John Goldingay writes on Nahum Habakkuk Zephaniah and Haggai Pamela Scalise takes on the longest Zechariah and the last Malachi Like the authors of other volumes in the NIBC Goldingay and Scalise utilize what is referred to as believing criticism when examining the biblical texts Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church Following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection For example Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon the Israelites needed to hear the word of God as a caution against their own pride and wickedness He goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example The New International Biblical Commentary offers the best of contemporary scholarship in a format that both

general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual linguistic cultural and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes **The Minor Prophets** Edward Bouverie Pusey,1885 **The Twelve Minor Prophets** Carl Friedrich Keil,Franz Delitzsch,1868 **The Lost Letters to the Twelve Prophets** Dr. John Goldingay,2022-07-19 Understand the Prophets Like Never Before with Amazing Insights from One of Today s Foremost Old Testament Scholars For many Christians reading the Old Testament trying to understand Israel s prophets is like listening to just one side of a phone conversation you only get half the idea of it You hear the answer but how do you know what question the prophet is answering In *The Lost Letters to the Twelve Prophets* John Goldingay uncovers the questions behind the prophets answers that make their meaning and relevance intelligible to us Written as a series of imaginary letters to the twelve Minor Prophets *The Lost Letters to the Twelve Prophets* asks the kinds of questions that Hosea Micah Zechariah and others were answering The letters make clear the issues these prophets of Israel were dealing with or deliver the news they were responding to in their Old Testament writings For example To Hosea Why did you marry someone you knew might be unfaithful To Joel It looks as if a locust epidemic is on the way what should we do To Amos What should we do about the war crimes of peoples around us To Obadiah The Edomites have occupied our land and pushed us out what s up with that To Jonah When is God going to fulfill his undertaking to destroy Nineveh To Micah Will God always be angry with us as a people To Nahum When is God going to fulfill his undertaking to destroy Nineveh To Habakkuk When is God going to do something about injustice in Judah To Zephaniah What do you mean by the day of the Lord To Haggai When is God going to fulfill his promises about rebuilding the temple To Zechariah Should Jeshua be High Priest when he has been in an unclean land To Malachi Why does serving God seem pointless These and other questions help readers peer behind the veil of Minor Prophets utterances and unlock their significance for today s Christians Each chapter begins with a brief paragraph of background about the prophet recounts questions or reports that have been addressed to the prophet in the form of a letter sums up message of the prophet responding to that question offers a brief comment or explanation after each passage *The Lost Letters to the Twelve Prophets* offers an imaginative fun and engaging way for students pastors and all serious Bible readers get a better grip on what is happening in these often misunderstood biblical books and get more out of their Bible reading and study *Minor Prophets Volume 2* Clay Alan Ham,2006-12-12
