Misbegotten Match:

A Misbegotten Match Rita Boucher, 2021-04-27 Sebastian Armitage is personally acquainted with the damage caused by secrets and lies Wanting nothing to do with the pain of his past the rakehell had broken all ties with England But when his elderly godmother falls ill her companion Amanda Westford summons him home Sebastian soon discovers that the prunes and prisms widow that he expected is not only young and beautiful but clearly harboring some secrets of her own Is it his godmother s fortune that is allowing Mrs Westford to live far beyond her means Amanda had vowed that she would never again accept desire without love Although Sebastian s infamous reputation had earned her scorn it is impossible to despise this charming handsome man who personifies temptation on two feet Amanda knows that only a fool would be seduced by the promise of passion with the man known as the Demon Rum Why then is she longing to play the fool Marriage of Convenience H.C. Douglas, 2015-03-10 To understand James Douglas defiant behavior at Bonnybraes it is important to learn a little of his aunt and her unwitting part therein Matilda Douglas was a proud and stubborn old woman who stood firm and unyielding on those matters where she held strong views Indeed Matilda held strong views on great many matters but none with more determination and vigour than on her nephews obligation to remarry and produce an heir for the family estates In fact she saw it as her bounden duty to ensure his doing so To this end Matilda had rounded up numerous eligible females of suitable background and breeding of course and these she trotted before James with increasing regularity To her chagrin the charms of these nubile maidens left her nephew quite unmoved and seemingly content to remain a childless widower Her constant harping and continued efforts in this area produced in James the opposite effect to that she desired it inspired in him a grim determination and stubbornness to match her own All her arguments pleading and cajolery fell on deaf ears The situation between them had reached a state that could best be termed stalemate and could well have remained so indefinitely but fate saw fit to take a hand in the game In the normal turn of events James would not have gone to Bonnybraes but when his aunt intimated her intention of having several young ladies to visit over the following two days he saw the business with Thomas Weir as a means of escape The look in Matilda s eye was warning enough for James it heralded another attack on his solitary state To say Matilda was annoyed when he told her he would be absent would be an understatement she was furious After all the whole point of the exercise was dependent on his being there The look of frustration on his aunt s face gave James a feeling of jubilation a glorious feeling of having triumphed over the old schemer He had outflanked her and with an added spring in his step joyfully he took his leave The mood stayed with him during the long ride to Bonnybraes and there can be little doubt that it had a great deal of bearing on his later actions **To Love a Libertine** Liana LeFey, 2016-05-30 London 1727 When Miss Eden Lowther catches the eye of Lord Percival Falloure Marquess of Tavistoke she s delighted for his wicked lordship is anything but boring The canny coquette who declined five suitors the season prior sets out to capture the infamous Terror of the Ton for keeps but the man she finds behind the facade isn t at all what she expects Having suffered

heartbreak and humiliation two years ago Lord Tavistoke is wary of love But once on the market always on the market until wed or dead Desperate to throw London s single ladies off the scent Percy looks to reestablish his rotten reputation with a rousing scandal His mark Miss Eden Lowther a tearing beauty reported to have left devastation in her wake last Season If anyone has asked for ruination it is the heartless Hellion of Holker Hall Eden and Percy soon find themselves falling dangerously in love despite their fears and her family s objections But can love alone save them when a ruthless rival forces her hand Each book in the Once Wicked series is STANDALONE To Love a Libertine Once a Courtesan A Wicked Reputation

The Lady Is Mine Judith Laik,2005 A haughty and handsome lord finds himself bewitched by a lovely lady who just wants to have fun and already has two suitors vying for her hand Original *King of Thieves* Jane Kindred,2022-04-11 There are worse things to lose than a good name Belphagor is used to being on top at the gaming table and in the bedroom But as a boyfriend He s pretty much out of his element Temperamental firespirit Vasily has stuck by his side so far giving Belphagor some of the most intense sexual experiences of his life But their relationship is far from perfect Vasily s rebellious nature exposes trust issues that can t be ignored and playing games with his safeword adds fuel to the fire When Belphagor uncovers a nefarious smuggling ring that spans both Heaven and Earth Vasily jumps at the chance to help shut it down But Belphagor hasn t told him everything and Vasily soon finds himself in mortal peril The Prince of Tricks may have finally pushed Vasily too far putting one more crack in an already fragile foundation With love honor and his life on the line Belphagor will need every trick up his sleeve to dismantle the smuggling ring for good But winning Vasily back will take more than tricks It s time to lay all the cards on the table or risk losing everything Note This is a revised second edition originally published elsewhere See this title s page on RiptidePublishing com for content warnings **The Art of Marriage** Catherine Blyth,2010-12-30 Read Catherine Blyth s blogs and other content on the Penguin Community A witty thought provoking celebration of why marriage still matters and how to make yours work from the author of The Art of Conversation Today we no longer get married for the reasons our grandparents did because our families say so because we must marry to leave home to have sex to have financial security So in this modern age why marry at all The Art of Marriage seeks to answer this question in an enchanting guided tour of the three legged race that is married life With anecdotes from history the latest research and insights about couples who stayed the course Blyth offers entertaining advice on how to enjoy a successful marriage and answers vital questions such as can housework improve sex life Why should husbands argue And why must wives relax In the age of Bridezillas and over the top destination weddings it is all too easy to lose sight of the greater meaning of saying I do A wedding is not an end it s not about the race for the ring or planning a blow out event it s the beginning of a journey full of questions and mystery and different for each couple As Catherine Blyth so eloquently puts it Each story has at least two sides Reconciling them is the art of marriage **Descendants of the Prophet-King** C.C.
