**Nancy MacKay**

## Oral History Collections:

**Directory of Oral History Collections** Allen Smith, 1988      Oral History Collections Julie Bird, 1983      **Oral History Collections** Ruth McMullin, 1975      Guide to Oral History Collections in Louisiana David Richards, 1996 This book provides access to more than 7 500 oral history interviews held in thirty three institutions scattered across the state      Curating Oral Histories Nancy MacKay, 2016-06-16 For the past ten years Nancy MacKay s Curating Oral Histories 2006 has been the one stop shop for librarians curators program administrators and project managers who are involved in turning an oral history interview into a primary research document available for use in a repository In this new and greatly expanded edition MacKay uses the life cycle model to map out an expanded concept of curation beginning with planning an oral history project and ending with access and use The book guides readers step by step on how to make the oral history archive ready offers strategies for archiving preserving and presenting interviews in a digital environment includes comprehensive updates on technology legal and ethical issues oral history on the Internet cataloging copyright and backlogs      The Atlantic War Remembered John T. Mason, 1990 From the U boat plagued convoys in the North Atlantic to the beaches of Normandy and the Big Three Conference at Yalta twenty eight men and women here relive their experiences in the Allied defeat of Hitler Drawn from a vast collection of oral histories recorded by John T Mason Jr between 1960 and 1982 these extraordinary eyewitness accounts are readily available once again to the public Through an invasion commander s binoculars and a frogman s face mask readers share the horror grit and humor of combat With unqualified realism Admiral H Kent Hewitt describes the landing at French Morocco America s first major amphibious operation and Captain Phil H Bucklew recalls how one of his beach scouts at Sicily held a flashlight to mark invasion lanes while backed up against a German pillbox firing a machine gun over his head The home front gets equal attention for here too are the stories of those who supported the war effort in the United States These and other personal narratives presented make memorable reading and give far more insights into historic events than most scholarly analyses      *Doing Oral History* Donald A. Ritchie, 2015 *Doing Oral History* is considered the premier guidebook to oral history used by professional oral historians public historians archivists and genealogists as a core text in college courses and throughout the public history community The recent development of digital audio and video recording technology has continued to alter the practice of oral history making it even easier to produce and disseminate quality recordings At the same time digital technology has complicated the preservation of the recordings past and present This basic manual offers detailed advice for setting up an oral history project conducting interviews and using oral history for research making video recordings preserving oral history collections in archives and libraries and teaching and presenting oral history      Practicing Oral History in Historical Organizations Barbara W Sommer, 2016-06-16 In this brief practical guide internationally known oral historian Barbara W Sommer applies the best practices of contemporary oral historians to the projects that historical organizations of all sizes and sorts might develop      **Managing Oral History**

**Collections in the Library** M. Patricia Freedman, 1979      **Doing Oral History** Donald A. Ritchie, 2003 Oral history is vital to our understanding of the cultures and experiences of the past Unlike written history oral history forever captures people's feelings expressions and nuances of language But what exactly is oral history How reliable is the information gathered by oral history And what does it take to become an oral historian Donald A Ritchie a leading expert in the field answers these questions and in particular explains the principles and guidelines created by the Oral History Association to ensure the professional standards of oral historians Doing Oral History has become one of the premier resources in oral history It explores all aspects of the field from starting an oral history project including funding staffing and equipment to conducting interviews publishing videotaping preserving materials teaching oral history and using oral history in museums and on the radio In this second edition the author has incorporated new trends and scholarship updated and expanded the bibliography and appendices and added a new focus on digital technology and the Internet Appendices include sample legal release forms and information on oral history organizations Doing Oral History is a definitive step by step guide that provides advice and explanations on how to create recordings that illuminate human experience for generations to come Illustrated with examples from a wide range of fascinating projects this authoritative guide offers clear practical and detailed advice for students teachers researchers and amateur genealogists who wish to record the history of their own families and communities      **The UCLA Oral History Program** University of California, Los Angeles. Oral History Program, 1992

*Houston Public Library Oral History Collection* , An active oral history program complements the archival and manuscript collections by providing information not available through written sources The collection consists of reminiscences and analyses of events from persons who have a firsthand knowledge of significant political cultural and economic events in the growth of metropolitan Houston Use of some of the tapes is restricted by the interviewee Access to the oral history collection is by appointment      **Australia's Oral History Collections** Martin Woods, 1997 Provides electronic access to oral history endeavour in Australia The database allows you to search within tens of thousands of hours of oral recordings

**Ramsey Library Special Collections Oral History Collections** , Ramsey Library Special Collections RLSC has begun to gather oral histories on a variety of topics including local medical history local arts and crafts and other topics of interest to the community      **Southern Highlands Research Center Oral History Collection** , The Southern Highlands Research Center Oral History Collection SHRC contains oral histories taken by Dr Louis D Silveri and by Dr Bruce Greenawalt Both of these

historians focused on oral histories collected in and around Asheville and Western North Carolina during the fifteen years from 1977 to 1992 As a visiting scholar Dr Silveri collected over 180 hours of oral history from individuals in the Asheville area The Southern Highlands Research Center staff transcribed many of the tapes from the Silveri Oral History Collection and these will be made available when time permits the translation to digital format

**Collections in Hawaii** University of Hawaii at Manoa. Ethnic Studies Program, 1982

**Catalog of Oral History  
Guide to the Oral History**

**Collections at Mystic Seaport Museum** Mystic Seaport Museum, Fred Calabretta, 1992 The Oral History Division of Mystic Seaport Museum has collected and conducted oral history interviews since the 1960s and this guide lists and describes 218 of them as well as 93 recordings of lectures in maritime history sponsored by the Museum's Munson Institute The General Collection described includes interviews with fishermen boat builders whaling hands marine craftsmen and veterans of the U S Lighthouse and Life Saving services The Yachting Collection includes interviews with more than a hundred major figures in the sport from racing skippers to designers The Oral History Collections of the Minnesota Historical Society Minnesota Historical Society, 1984 *Zach S. Henderson Library Oral History Collection* , The Zach S Henderson Library Oral History Collection was started by the Georgia Southern College History Department in the 1970 s While several of the early interviews were done by history professors including Dr Walter J Fraser Dr R Frank Saunders and Dr George A Rogers the vast majority of interviews done before 1992 were performed by Mrs Esther Mallard The oral history program went dormant in the mid 1990 s after Mrs Mallard retired but was rejuvenated by Dr Delma E Presley and Dr Daniel Good with the implementation of such projects as Our Home Town Heroes a project gathering oral histories of Bulloch County's World War II veterans in 1999 Other active participants in these projects included graduate student Linda Awe and Henderson Library's own Susan Moody Library Assistant II in Collection Resource Services and Special Collections This database is the result of Ms Moody's efforts to organize and catalog this important collection so that researchers can take advantage of its bounty

## **Oral History Collections Introduction**

In today's digital age, the availability of Oral History Collections books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Oral History Collections books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Oral History Collections books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Oral History Collections versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Oral History Collections books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Oral History Collections books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Oral History Collections books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Oral History Collections books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Oral History Collections books and manuals for download and embark on your journey of knowledge?

## **FAQs About Oral History Collections Books**

1. Where can I buy Oral History Collections books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Oral History Collections book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Oral History Collections books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Oral History Collections audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Oral History Collections books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
