The Trouble with Paper Planes Amanda Dick, **Sisters** Daisy Johnson, 2021-08-24 A NEW YORK TIMES

NOTABLE BOOK OF THE YEAR A skillfully crafted gothic mystery Johnson pulls off a great feat in this book. Financial Times.

It reminded me in its general refusal to play nice of early Ian McEwan. The New York Times Book Review Johnson crafts an aching thriller about the dangers of loving too intensely. Time From a Booker Prize finalist and international literary star a

blazing portrait of one darkly riveting sibling relationship from the inside out. One of her generation's most intriguing authors.

Entertainment Weekly Daisy Johnson is the youngest writer to have been shortlisted for the Man Booker Prize. Now she returns with Sisters a haunting story about two sisters caught in a powerful emotional web and wrestling to understand

where one ends and the other begins. Born just ten months apart July and September are thick as thieves never needing anyone but each other. Now following a case of school bullying the teens have moved away with their single mother to a long

abandoned family home near the shore. In their new isolated life July finds that the deep bond she has always shared with September is shifting in ways she cannot entirely understand. A creeping sense of dread and unease descends inside the house.

Meanwhile outside the sisters push boundaries of behavior until a series of shocking encounters tests the limits of their shared experience and forces shocking revelations about the girls past and future. Written with radically inventive

language and imagery by an author whose work has been described as entrancing. The New Yorker a force of nature. The New York Times Book Review and weird and wild and wonderfully unsettling. Celeste Ng Sisters is a one two punch of wild fury

and heartache a taut, powerful and deeply moving account of sibling love and what happens when two sisters must face each
