She's a movie critic for a counterculture rag in Los Angeles and she needs a break badly. Instead of a break, she gets a murder. A woman dies in Ann's bathtub; the victim is a film school grad and industry hopeful. It's the kind of story Ann was born to write, but the disgraced LAPD detective leading the investigation is determined to stop her. The search for the killer turns into a search for the victim's missing script, the story of another woman murdered in 1944. Suddenly, there are two killers and a complicated conspiracy spanning decades. Ann is smack in the middle and everyone she meets wants into the film business, whatever the price. There's never been a thriller hitched as brilliantly to the underbelly of Hollywood as this one. Helen Knodel is a startling and original voice. Their Only Child Carla Cassidy, 1998.
