*Christianity* John Chathanatt, 2024-01-08 Published in the Series Encyclopedia of Indian Religions this volume is devoted to Christianity in India where it has had a long presence going back to the time of the apostles of Jesus Christ It focuses on the history origin organizations and local engagements belief system worship practices Rites Rituals Christian life Contributions Spirituality and a few of the main doctrinal and theological items It further examines the earlier phase of the history of Christianity starting with the traditional belief of the arrival of St Thomas in AD 52 moving to the periods of its association with the Chaldean church the Portuguese the Dutch English and so on This volume highlights the missionary activities of persons like St Francis Xavier the creative contributions made to the inter religious dialogue by such people as Roberto de Nobili 1577 1656 and Swami Abhishiktananda 1910 1973 the linguistic and educational contributions of some of the pioneers like the German Jesuit Johanne Ernst Hanxleden known as Arnos Padiri 1681 1732 Herman Gundert 1814 1893 St Elias Kuriakos Chavara 1805 1871 and a fortiori the enormous contributions in the healthcare area throughout the country Caring for and serving the socio economically marginalized ones the peripheralized people formed an integral part of the Christian activity In India as it is done even today This is highlighted very much in the volume It further explores the contact India had with European Christianity showing that European Christianity proved to have wider influence in the Northern part of India unlike India's early episodic encounters with Palestinian and Persian forms of Christianity which had deep influence in the Southern part of India The volume also highlights the inner struggle among the followers resulting even in its division originating at the Synod of Diamper in 1599 manifesting by and large the Church state love and hate relationships In fine in spite of the drawbacks of putting the herculean task of two thousand years of history in eight hundred pages or so this volume gives a rather comprehensive view of Christianity in India especially to those who are unfamiliar with its life and dynamics in the Indian context The wide range of photographs 325 of them especially of the churches revealing the architectural beauty and multiplicity along with the ensample of art and paintings and pilgrimage centers adds to the enrichment of the volume      *The Mission, the Meaning and the Message of Jesus Christ* Theodore Austin Sparks, 2012

**Mission and Message of Jesus** Jerry Haughton, 2017-06-19 Dr Haughton examines Jesus from both the historical and the theological perspectives In the first part he gives a chronological narrative of the when where and what of Jesus travels In the second part he gives the apostolic interpretation of the how and why of the major events in Jesus life Jesus was truly a unique person when compared with founders of other world religions If a person has doubts about whether Jesus was God in the flesh this book could put those ideas to rest The brevity and content of these studies are excellent for daily devotions

The Mission and Message of Jesus H. D. A. Major, 1953      Report of the Meeting of the Conference of Foreign Mission

Boards in Canada and in the United States Foreign Missions Conference of North America, 1925 Vol 57 Nov 1950 includes the minutes of the organizational meeting of the Division of Foreign Missions National Council of Churches of Christ in the United States of America     **The Foreign Missions Convention at Washington, 1925** Fennell Parrish Turner, Frank Knight Sanders, 1925     *Missions* Howard Benjamin Grose, 1927     **Women and Missions** Lucia P. Towne, 1930     Christ for the Excluded Robert J. Rivera, 2025-11-20 This book argues that a Christology of liberation is a critical resource that enables excluded people to resist redeem and re imagine globalization     **Woman's Home Missions of the Methodist Episcopal Church**, 1920     *The Message of Mission* Howard Pesket, Vinoth Ramachandra, 2024-09-19 The root of the word mission means sending All Christian mission has its fountainhead in the God revealed in Scripture who sent his Son for us sends his Spirit to us and summons all people to himself The privilege and responsibility of his church sent into all the world is to testify by his words and deeds to Jesus Christ God s unique son crucified risen and ascended The East West partnership in missiological exploration expounds a variety of Old and New Testament texts and examines a wide range of issues The authors desire is that Jesus Christ might be glorified more and more in the church and in the world their eager expectation is that one day the whole creation will find its consummation in him and God will be all and in all     **The Mission of the Church** James E. Carter, 1973 Uses twelve Bible studies to show the mission of the church     *Mission Gleaner* H.N. Cobb, J.W. Conklin, 1912     **Transformation by the Spirit and the Word** Will Loesch, 2023-03-01 This book is a distillation of reading Acts for over fifty years preaching it for twenty five years and studying it in depth for five years My aim is for students church leaders preachers and missionaries to join me on a journey of narrative theology a literary exploration of transformation by the Spirit and the Word in Acts As with every part of God s inspired Scriptures there is always more to discover and apply As a Reformed Charismatic I believe that Acts is our story However rather than just attempting to copy it I suggest that the book s unexpected literary shape reveals a challenging missional significance The need for world gospel mission continues today However like the early church we often contain the Holy Spirit within our own structures and are reluctant to move out of our comfort zones Acts shows the church s priority is to be God s mission instrument in the world Let s study lead preach and go from Acts so that we realize Jesus s promise that you will receive power when the Holy Spirit comes upon you and you will be my witnesses in Jerusalem Judea and Samaria and to the ends of the earth Acts 1:8     **The Mission and Message of Jesus** Henry Dewsbury Alves Major, 1961     **The Standard**, 1904     **The High Definition Family** Sayer Strauch, 2009-08 The High Definition Family isn t about being an ideal family a perfect family or even a good family but about your family as you are now on a journey with God reaching your highest potential God wants you and your family to become all that it is created on Earth to do and be The character of your family members will be continually shaped more like Jesus you will contribute to others becoming more like Jesus and donate love to a world that is hungry and thirsty for this kind of love Your family s story will become part of God s story for the world If you don t know what makes your

family unique then you have no defined basis for making decisions and you become defined by the history of your own messy family and the messy world you live in And that can be well messy Because you and your family are unique your journey with God is unique Being on a high definition journey together you ll have the tools you need to tune in your family s own unique vision and live it out You ll have the tools you need to enjoy being together as a family and to master household chores in such a way as to encourage leadership and teamwork as a family You ll achieve greater freedom and clarity and draw closer to each other God and those whom you encounter on your journey For those of you with children you ll find an easier and clearer parenting task You will cultivate leadership in all family members create an energized family culture and realize family dreams Please hurry up and get the book done D D Sayer Strauch serves as a pastor writer and speaker and lives in Vancouver Washington with his wife and three children
