*Missouri Historical Tour Guide* D. Ray Wilson, 1995-03-01 A guide book that describes places of historical interest in Missouri    **Guide and Historical Tour of Lexington, Missouri** Missouri. State Highway Department, 1941    Early Independence, Missouri Ronald E. Romig, Missouri Mormon Frontier Foundation, 1994    **Enslavement and the Underground Railroad in Missouri and Illinois** Julie Nicolai, 2023-07-31 The Path to Freedom in Missouri and Illinois People enslaved here experienced the same horrors as those held captive in other states and their stories of courage and perseverance are amazing Priscilla Baltimore purchased her own emancipation and founded a freedom village Caroline Quarlls escaped to Canada Many who fled for their lives spent time bunkered in the basement of Hanson House The region's Congregationalists brought a fiery brand of abolitionism And Prairie Park still holds the faded haint blue paint traditionally used on slave dwellings Author Julia Nicolai details these and other adjective stories    Kansas Historical Tour Guide D. Ray Wilson, 1994-09    The Man Behind the Discourse Joann Follett Mortensen, 2011-12-05 Who was King Follett When he was fatally injured digging a well in Nauvoo in March 1844 why did Joseph Smith use his death to deliver the monumental doctrinal sermon now known as the King Follett Discourse Much has been written about the sermon but little about King Although King left no personal writings Joann Follett Mortensen King's third great granddaughter draws on more than thirty years of research in civic and Church records and in the journals and letters of King's peers to piece together King's story from his birth in New Hampshire and moves westward where in Ohio he and his wife Louisa made the life shifting decision to accept the new Mormon religion From that point this humble hospitable and hardworking family followed the Church into Missouri where their devotion to Joseph Smith was refined and burnished King was the last Mormon prisoner in Missouri to be released from jail According to family lore King was one of the Prophet's bodyguards He was also a Danite a Mason and an officer in the Nauvoo Legion After his death Louisa and their children settled in Iowa where some associated with the Cutleries and the RLDS Church others moved on to California One son joined the Mormon Battalion and helped found Mormon communities in Utah Nevada and Arizona While King would have died virtually unknown had his name not been attached to the discourse his life story reflects the reality of all those whose faith became the foundation for a new religion His biography is more than one man's life story It is the history of the early Restoration itself    **Missouri Historical Review** Francis Asbury Sampson, Floyd Calvin Shoemaker, 1930    **Made in USA** Andrew J. Theising, 2003 The first ever comprehensive history of this troubled city the book includes more than 250 photographs and images of the people and events that shaped East St Louis Andrew Theising a professor of political science at Southern Illinois University at Edwardsville examines the city's past from the prominent role it played in the growth of 19th century industrial America to its presently depleted state For Theising East St Louis is more than just a river city suburb it is an example of industry creating and then abandoning a city and it is also one of the most misunderstood cities in America    *Excavating Mormon*

*Pasts* Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century    **Early Independence, Missouri Mormon History Tour Guide** Ronald E. Romig, Missouri Mormon Frontier Foundation, 1994

**Fire and Sword** Leland H. Gentry, Todd M. Compton, 2009-10-01 Many Mormon dreams flourished in Missouri So did many Mormon nightmares The Missouri period especially from the summer of 1838 when Joseph took over vigorous personal direction of this new Zion until the spring of 1839 when he escaped after five months of imprisonment represents a moment of intense crisis in Mormon history Representing the greatest extremes of devotion and violence commitment and intolerance physical suffering and terror mobbings battles massacres and political knockdowns it shadowed the Mormon psyche for a century Leland Gentry was the first to step beyond this disturbing period as a one sided symbol of religious persecution and move toward understanding it with careful documentation and evenhanded analysis In *Fire and Sword* Todd Compton collaborates with Gentry to update this foundational work with four decades of new scholarship more insightful critical theory and the wealth of resources that have become electronically available in the last few years Compton gives full credit to Leland Gentry s extraordinary achievement particularly in documenting the existence of Danites and in attempting to tell the Missourians side of the story but he also goes far beyond it gracefully drawing into the dialogue signal interpretations written since Gentry and introducing the raw urgency of personal writings eyewitness journalists and bemused politicians seesawing between human compassion and partisan harshness In the lush Missouri landscape of the Mormon imagination where Adam and Eve had walked out of the garden and where Adam would return to preside over his posterity the towering religious creativity of Joseph Smith and clash of religious stereotypes created a swift and traumatic frontier drama that changed the Church    **Index of Bicentennial Activities** American Revolution Bicentennial Administration, 1976
