Mist Over The Mersey:

Mist Over the Mersey Lyn ANDREWS,1995 Mist Over the Mersey Lyn Andrews,2009-05-14 Once war strikes life can never be the same again A close knit community is devastated by the outbreak of World War I in heart breaking saga Mist over the Mersey a tale of families friendship and romance from bestselling author Lyn Andrews Perfect for fans of Katie Flynn and Maureen Lee The Chatterton family is far too posh for the Liverpool slums where they've ended up Nancy Butterworth and Abbie Kerrigan lifelong residents of the place tried to befriend Dee Chatterton but her mother wants her to have nothing to do with such rough children The Burgess family looks forward to the arrival of their young cousin Sean from Dublin and Nancy is not the first to lose her heart to the Irish charmer In 1914 things are to change dramatically and the families are to find that money and social position mean nothing when the horrors of the First World War invade their lives and take away their sons Don't miss Lyn Andrews sequel to the novel Mersey Blues What Amazon readers are saying about Mist Over the Mersey This book grabs you from the first word to the last As soon as I started to read it I could see all the characters so clearly as if I were there with them It only took me two days to read it as I could not put it down Lyn Andrews is definitely an author you want to discover time and again She writes with real clarity wit and warmth The characters that Lyn Andrews has written about are people that you feel are truly real Mist Over the Mersey Promo Edition Lyn Andrews,2009-05-14 **The House on Lonely Street** Lyn Andrews,2010-03-04 Her father's murder drives a young woman to seek refuge in Liverpool but she could now be in even greater danger Lyn Andrews The House on Lonely Street is a powerful and nostalgic saga set in Dublin and Liverpool of the power of love friendship and fear Perfect for fans of Dilly Court and Kitty Neale For Katherine Donovan the slums of Dublin are a lonely place Her father a pawnbroker is the most hated man in the district and Katherine an outcast Her only friend is tiny Ceppi Healy underfed irrepressible and the youngest in a neglected family of eight as much an emotional orphan as eighteen year old Katherine Then one night the unthinkable happens Katherine's father is murdered a victim of local revenge for an act of cruelty even she couldn't have anticipated Fearing for her life Katherine flees taking with her the desperate young Ceppi Liverpool is her longed for haven and with the last of her father's money she rents a lodging house in a street decimated by the sinking of the Titanic But far from finding a refuge for herself and the little girl she promised to protect she realises she has put them into the path of terrible danger What readers are saying about The House on Lonely Street I read this book in less than a day The characters were so believable and you could imagine the struggle but from the start you wanted Katherine to succeed As usual Lyn Andrews tells a really good story She makes you care about the characters and the only criticism I have is that I was left wanting more The brilliant plot will sweep you away to its majestic and tear jerking ending *Other Voices: Hidden Histories of Liverpool's Popular Music Scenes, 1930s-1970s* Michael Brocken,2016-05-23 At times it appears that a whole industry exists to perpetuate the myth of origin of the Beatles There certainly exists a popular music or perhaps rock origin myth concerning

this group and the city of Liverpool and this draws in devotees as if on a pilgrimage to Liverpool itself Once within the city local businesses exist primarily to escort these pilgrims around several almost iconic spaces and places associated with the group At times it all almost seems spiritual One might argue however that like any function myth the music history of the Liverpool in which the Beatles grew and then departed is not fully represented Beatles historians and businessmen alike have seized upon myriad musical experiences and reworked them into a discourse that homogenizes not only the diverse collective articulations that initially put them into place but also the receptive practices of those travellers willing to listen to a somewhat linear exclusive narrative Other Voices therefore exists as a history of the disparate and now partially hidden musical strands that contributed to Liverpool s musical countenance It is also a critique of Beatles related institutionalized popular music mythology Via a critical historical investigation of several thus far partially hidden popular music activities in pre and post Second World War Liverpool Michael Brocken reveals different yet intrinsic musical and socio cultural processes from within the city of Liverpool By addressing such scenes as those involving dance bands traditional jazz folk music country and western and rhythm and blues together with a consideration of partially hidden key places and individuals and Liverpool s first real record label an assemblage of other voices bears witness to an other seldom discussed Liverpool By doing so Brocken born and raised in Liverpool asks questions about not only the historicity of the Beatles Liverpool narrative but also about the absence o

Maggie May Lyn Andrews,2010-03-04 One young woman escapes the shame of her early life on 1880s Merseyside only to find that fate has dark plans for her future Lyn Andrews Maggie May is a powerful and evocative saga set on the streets of Victorian Liverpool Perfect for fans of Anne Baker Rosie Goodwin and Katie Flynn Maggie May born into the slums of Liverpool in the 1880s had many difficulties to cope with a drunken father the early death of her gentle mother and the grinding poverty of their lives But most of all she had to endure the shame of her name a name given to her by her father out of sheer spite the name of the city s most notorious prostitute Taking care of her younger brother and desperately trying to live down her name Maggie manages to escape from Liverpool to enjoy an idyllic new life But fate forces her back again and into the arms of a stranger who is to bring her both heartbreak and the greatest happiness she will ever know What readers are saying about Maggie May A truly magnificent book From the very beginning the characters draw you in I could not put this book down Maggie May is a well written novel
