**Rule #9: You Can't Misinterpret a Mistletoe Kiss** Anne-Marie Meyer, 2018-11-09 A mistletoe kiss is just a simple kiss right? Wrong. All I want to do during this Christmas break is survive. A week at the cabin with our family's friends rivals the Stephensons every yuletide activity is turned into a competition where my family must win. Every. One. Yep. Lots of Christmas spirit around here. But I've survived past holidays there's no reason why I can't survive this one. Until Mom informs me that Jacob Stephenson, my brother's ex-best friend and resident bad boy, is back from his grandmother's after having been gone for the semester. I guess after you find out your son robbed a gas station you banish him to the most southern state. Now my ridiculous crush is back in full force and I'm trying really hard to stay away from him. My brother is frustrated that Jacob is home and I'm supposed to put my family above boys. Right? Maybe I was attempting to be loyal until Jacob and I kiss. Sure it was a forced one brought on by mistletoe tradition but there was something in the way he held me and pressed his lips to mine that told me he just might be feeling something more. But when he keeps pulling away and acting like the bad boy I'm pretty sure is fake I begin to realize that there's more at stake here than just my heart. A truth that is eating away at him I just hope I can unearth it before Christmas is over and any chance that I have at discovering the real Jacob disappears. Some rules are meant to be broken.
