New York City Of Many Dreams:

New York ,1983 *New York* Bill Harris,1983 *The Eight Answers for Happiness* Hooseo B. Park,2014-12-20

Although everybody in the world is singing about love dream money and happiness ironically not many people know what these things really are I became an artist for my dream which was to do something for the environment and I came to New York City for the dream But ironically I realized that I didn t even know what the environment really was before I came to New York City I have done a nonprofit sign campaign for the environment in Times Square in the fall of 2011 and spring of 2014 I saw and met many people who were from all over the world The people and New York City have given me some answers in life To do something for the environment I have also picked up a lot of cigarette butts that no one really cared about on the streets of New York City Then I put the thrown cigarette butts into many different glass jars I have slowly realized that the most important thing for the environment was happiness because happiness is the primary reason for all lives There are many different reasons for each of our lives but all the reasons lean to one point That is happiness And unhappiness is the third pollution source that makes people careless with everything No one can well take care of other things if the person s level of happiness is too low We have to be happy first no matter what To be happy we need to know what happiness really is as well as the other very important things in life These eight things are the answers that I ve learned from my life and from New York City *City of Dreams* Tyler Anbinder,2016-10-18 This sweeping history of New York s millions of immigrants both famous and forgotten is told brilliantly and unforgettable The Boston Globe Written by an acclaimed historian and including maps and photos this is the story of the peoples who have come to New York for four centuries an American story of millions of immigrants hundreds of languages and one great city Growing from Peter Minuit s tiny settlement of 1626 to a clamorous metropolis with more than three million immigrants today the city has always been a magnet for transplants from around the globe City of Dreams is the long overdue inspiring and defining account of the young man from the Caribbean who relocated to New York and became a founding father Russian born Emma Goldman who

condoned the murder of American industrialists as a means of aiding downtrodden workers Dominican immigrant Oscar de la Renta who dressed first ladies from Jackie Kennedy to Michelle Obama and so many more Over ten years in the making Tyler Anbinder s story is one of innovators and artists revolutionaries and rioters staggering deprivation and soaring triumphs In so many ways today s immigrants are just like those who came to America in centuries past and their stories have never before been told with such breadth of scope lavish research and resounding spirit Anbinder is a master at taking a history with which many readers will be familiar tenement houses temperance societies slums and making it new strange and heartbreakingly vivid The stories of individuals including those of the entrepreneurial Steinway brothers and the tragic poet Pasquale D Angelo are undeniably compelling but it s Anbinder s stunning image of New York as a true city of immigrants that captures the imagination Publishers Weekly starred review *Dreams of the Many* Susan M. Obijiski,2011-02 When

renowned actor Brody Murphy first started to dream he paid little attention What he could never guess was how his dreams would soon change his life and test his sanity The architect of his strange dream world is a young autistic boy named Casey and for him the dreams are more than just fantasy the outcome will determine the child s future As Brody and a disparate group of companions travel through the damaged landscape of Casey s mind it becomes clear that each of the travelers makes up a piece of the puzzle For Brody the dreams offer a chance at redemption but first he must release his past embrace his role of leadership and accept his undeniable connection to the boy Brought together in the surreal world of dreams ten strangers take a journey of the mind that will teach them about courage friendship and the nightmares that lurk within us Some of these dream travelers will succeed in their quest to help Casey and return to the real world and some will not make it back Can Casey make it back to live a normal life Dreams of the Many is a story of shared humanity and of our individual capacity to overcome fear to become the people we were meant to be About the Author Susan Obijiski is a holistic practitioner in Sedona Arizona By telling a story I hope to inspire others to pursue their dreams achieve goals and have confidence in themselves and to remember that the world is a great place to live Publisher s website <http://www.strategicpublishinggroup.com/title/DreamsOfTheMany.htm>
