The Ngoni of Nyasaland Margaret Read,1956 The Ngoni of Nyasaland. With a New Pref. by the Author Margaret Read,1970 The Ngoni of Nyasaland Margaret Read,1970 **The Ngoni of Nyasaland** ,1970 **The Ngoni of Nyasaland** Alexander Nisbet,1956 *Children of Their Fathers* Margaret Read,1987 **My Ngoni of Nyasaland** Yesaya Mlonyeni Chibambo,1979 **Children of their fathers : growing up among the Ngoni of Nyasaland** Margaret Read,1959 *The Zionist Churches in Malawi* Ulf Strohhahn,2016-05-11 This book presents an African Christian movement full of vitality and creativity The reader will meet believers who drink milk so that they may dream about angels reports about funerals where the mourners dance with the coffin on their shoulders and church members who are ritually not allowed to fertilize their fields or wear neck ties The authors unique insight into Malawis Christian community addresses important issues in society Why have Spirit Churches including Pentecostalism been so successful in Malawi Why do some religious groups still refuse medical help up to the point that children die of cholera How did the independent churches deal with the colonial trauma In this masterful portrait Strohhahn takes the reader from industrial mine compounds to rural colonies where churches have set up their own spiritual and political rule He carefully dissects the fine lines between traditional notions and Christianitys influence We find a spiritual portrait of the Ngoni people a fascinating cultural analysis of dancing and an encounter with a unique style of preaching Peoples of the Lake Nyasa Region Mary Tew,2017-02-10 This volume originally published in 1950 discusses the tribes around Lake Nyasa The rationale for treating the tribes here as members of a single ethnographic province is that the region whose literature has been surveyed is vast and the ethnic distinctions between its inhabitants have been confused by raids and migrations over centuries *My Ngoni of Nyasaland* Yesaya Mlonyeni Chibambo,1944 **CHILDREN OF THEIR FATHERS** MARGARET. READ,2018 **Africa and the West** Godfrey Mwakikagile,2000 Besides her natural beauty the scenery and the climate and her abundant wildlife and natural resources Africa is probably best known as the homeland of hundreds of millions of people who live in abject poverty Millions are wracked by disease and blinded by ignorance And just as many go hungry every day But there is something else which also distinguishes Africa lack of unity among her people That is one of the main reasons why they were conquered by foreigners and why Africa is still weak and poor today There is no other continent which is endowed with so much in terms of natural resources But there is also no other continent where it has been so easy for foreigners to take what does not belong to them This book began as a self examination of the African personality in an attempt to understand Africa s place in the world especially in relation to the West **My Ngoni of Nyasaland ... Translated by the Rev. Charles Stuart** Yesaya Mlonyeni CHIBAMBO,Rev. Charles STUART,1942 *Spirit Possession and Spirit Mediumship in Africa and Afro-America* Irving Zaretsky,Cynthia Shambaugh,2019-06-19 Originally published in 1978 Spirit Possession and Spirit Mediumship in Africa and Afro America is an incredibly diverse and comprehensive bibliography on published works containing

ethnographic data on and analysis of spirit possession and spirit mediumship in North and Sub Saharan Africa and in some Afro American communities in the Western Hemisphere The sources on Western Afro American communities were chosen to shed light on the African continent and the Americas The bibliography while not exhaustive provides extensive research on the area of research in spiritualism in Africa and Afro America The bibliography also provides unique sources on spirit cults ritual or ethnic groups and will be of especial interest to researchers Although published in the late 70s this book will still provide an incredibly useful research tool for academics in the area of religion with a focus on spiritualism and non western religions
