

A close-up illustration of a young girl with vibrant orange hair and striking yellow eyes. She is looking down at a sprawling, futuristic cityscape visible through a large, shattered window. The city below is a dense network of glowing lights and metallic structures, suggesting a high-tech urban environment. The girl's expression is one of concern or sadness. The overall mood is somber and contemplative.

Missing World:

The Missing World Margot Livesey,2012-05-16 Following the acclaimed *Criminals* comes a spellbinding new novel that confirms Margot Livesey's place right up there as Liz Smith wrote in the *Philadelphia Inquirer* in the realm of P D James and the esteemed Patricia Highsmith. What if by stroke of fortune you could start afresh could wipe away that catastrophic blunder in your past? And to what lengths would you go to establish that in fact you'd done nothing wrong at all? After an accident robs Hazel of three years worth of memory just such an opportunity is granted to Jonathan, undone by his betrayal of this woman whom he professes to love above all. While he begins to rewrite their history two other misfits an American sojourner and a luckless English actress knock about London each of them haunted by indelible memories they would much rather forget. Eventually their hopes of redemption draw them toward Jonathan's house where Hazel has become a virtual prisoner. Replete with compelling characters and extravagantly plotted *The Missing World* weaves together these separate quests for love and truth in a manner both thrilling and ultimately revealing about our imperfect lives.
