## **Missing In Heaven:**

**Missing in Heaven** J. J. Pollitt, Robert L. Wheaton, 2001-08-01      **Missing Heaven by 18 Inches (Pack Of 25)** Good News Publishers, 2012-09-30 Tracts are creative short form gospel presentations Eighteen inches the distance from your head to your heart can mean eternity with Christ or an eternity without Him A creative approach to get people thinking      **Almost**

**Missing Heaven** Terry Hurt, 2022-10-29 This is the genuine story of a man who came close to missing heaven one day After reading this book readers might wonder whether they ever walked in that man's shoes if they've ever been on the road to missing Heaven or if they've ever actually paused to consider that state Missing out on heaven would be the most terrible and unsatisfying experience a person could possibly have People may endure several painful trials and tribulations as they travel through life but there is a restorative process If on the other hand anyone misses paradise and ends up in hell they will be trapped there for all eternity with no possibility of escape or anybody to assist them to get out of that horrible place This is the story of how he was duped by Satan and how God intervened to save him from going to hell It's a narrative about family heartache happiness and perils It is a story of a life lived decisions taken mistakes overcome and victory at the end Born in Dayton Ohio and raised on a farm in Greenville Ohio about 35 miles northwest of Dayton Terry Hurt attended a Christian church as a young lad until the age of thirteen when he decided there was no need to go to church any longer and just quit going At the age of 22 the Holy Spirit began to call to him and by the age of 24 he had lived for the devil for so many years and was so deep into sin he didn't think he could be saved However he did answer the call of the Lord and gave the Lord a chance in his life God has proven to him that no matter how far down into sin one might find himself God can and will forgive sins and save one's soul making an eternal home in Heaven for everyone who is willing      **Grassroots Activism of Ancient**

**China** Hung-yok Ip, 2022-02-24 This book examines Mohism as a movement in early China focusing on the Mohists pursuit of power Fashioning themselves as grassroots activists the Mohists hoped to impact the elite by gaining entry in its community and influencing it from within To create a less violent world they deployed strategies of persuasion and negotiation but did not discard counterviolence in their dealings with the ruling class In executing their activism the Mohists produced knowledge that allowed them to hone their nonviolent strategies as well as to mount armed resistance to aggression In addition the Mohists paid significant attention to the issue of personhood constructing a self cultivation tradition unsparing in its demands for overcoming human conditions that would impede their performance as activists This book situates Mohism in the history of nonviolent activism and in that of negotiation and conflict resolution      **Understanding The Anatomy of Evil**

William Nitardy, 2016-04-14 The book examines the anatomy of evil in the realm of ideological and philosophical beliefs This includes politics culture religion science and law It attempts to answer many questions by giving the reader a better understanding of all aspects of evil including stealth evils that are not even on our radar Although the author uses many scriptural verses to support the book's thesis it does not simply rely on scripture but relies on probability science and

rationale to draw conclusions while showing consistency with and support of scripture Although the author is convinced that the bible is the infallible Word of God and believes in biblical Christianity he is very critical of denominational Christianity and other religions including pseudo science and other religions that masquerade as secular entities He believes that the rapid and virtually complete secularization of our society has only been possible because of the many false foundations that have been established and accepted as fact when they are completely false and destructive Those false foundations justify and support many evils that have been and are being promoted in America The book discusses the situation in which America finds itself where we are being destroyed and are near the point of no return The book addresses the current political situation and the upcoming presidential election The final chapter of the book is to encourage skeptics to believe the truth of the bible through rational evidence Although this book should connect well with Christians it is hoped that the rational approach taken would attract atheists agnostics and skeptics as well as pastors and religious leaders Pastors and religious leaders are encouraged to teach the full council of God by relating scriptural principles to our evil culture and even go so far as to attack the false foundations that are making the gospel irrelevant or addressing the contaminated soil that prevents the gospel seeds from germinating
