Mission Trends No 2 Evangelization:

Mision en el camino Charles E. Van Engen, 2019-02-28 Durante los pasados cincuenta años el énfasis sobre la práctica y estrategia de la obra misionera ha menoscabado el valor de la importancia de la teología de la misión. Sin embargo en las últimas décadas teólogos y misioneros de todas las tradiciones cristianas han comenzado a reexaminar y repensar las suposiciones teológicas que fundamentan la obra misionera. En 'Misión en el Camino' Charles Van Engen articula con claridad muchos de los conceptos fundamentales de la teología de la misión. Charles Van Engen en este volumen aborda numerosos temas misionológicos centrales. Examina la cuestión de construir teologías en contextos específicos tales como en la ciudad. También nos muestra tanto los beneficios como las preocupaciones que experimentamos cuando alentamos a los creyentes a teologizar dentro de su propio entorno cuando tomamos con seriedad el sacerdocio de todos los creyentes. Hace un delineamiento de los debates actuales sobre asuntos levantados por el pluralismo religioso y batalla con la manera en que podemos proclamar el carácter nico de Cristo sin ser arrogantes y triunfalistas. Echa una mirada al impacto que la modernidad y la posmodernidad están teniendo sobre el movimiento misionero en Occidente y hace un llamado a la renovación de nuestro compromiso como seguidores de Jesucristo en los duros ambientes culturales de nuestros días. Explora los roles cambiantes de misioneros y ministros en iglesias jóvenes y levanta preguntas difíciles relacionadas con la unidad de la iglesia en medio de su proliferación, diversidad y fragmentación de carácter global. Son de excepcional valor la manera en que Van Engen traza la historia de la discusión reciente sobre cada uno de estos asuntos y la riqueza de fuentes bibliográficas que nos presenta para más estudio. Igualmente importantes son las repuestas que él ofrece a estas cuestiones. Respuestas que nos ayudan a movernos más allá de los caminos sin salida que tanto caracterizan nuestro pensamiento actual. Tomado del Prólogo escrito por Pablo Hiebert.

The State of Missiology Today Charles E. Van Engen, 2016-10-02 The 2015 Missiology Lectures at Fuller Theological Seminary marked the fiftieth anniversary of the School of Intercultural Studies. The papers from that conference explore the developments and transformations in the study and practice of mission as contributors chart the current shape of mission studies and its prospects in the twenty-first century.

Global Christianity and the Early Letters of Horace G. Underwood James Jinhong Kim, 2022-03-31 Who was Horace G. Underwood and what possible significance could another missionary of the nineteenth century have to help us rethink our approach to global Christianity and mission in the twenty-first century? As the first Protestant missionary to set foot in Korea, the last hermit kingdom, Underwood is regularly credited with Christianity's unparalleled success and continuing fervent presence in Korea today, including its corps of over 27,000 fulltime missionaries in 170 countries around the globe, second only to the US in the number of missionaries sent to foreign lands. But as extraordinary as his journey to Korea may have been for this arguably most under-recognized Protestant missionary of all time, it may be his journey from it that offers us vital insights for the future of missions. From the making of Underwood through his formative years in England, France and America to the Neo-Confucian culture he encountered among

the people in Korea this book culminates with the presentation and analysis of his previously unknown private letters from the years between 1884 and 1898 showing us the gradual process of interculturation he himself underwent as a missionary that allowed him to discover and encourage glocal global yet local expression of faith in Korea

The Continuing

Conversion of the Church Darrell L. Guder, 2000-03-20 Western society is now a very different very difficult mission field In such a situation the mission of evangelism cannot succeed with an attitude of business as usual This volume builds a theology of evangelism that has its focus on the church itself Darrell Guder shows that the church s missionary calling requires that the theology and practice of evangelism be fundamentally rethought and redirected focused on the continuing evangelization of the church so that it can carry out its witness faithfully in today s world In Part 1 Guder explores how under the influence of reductionism and individualism the church has historically moved away from a biblical theology of evangelism Part 2 presents contemporary challenges to the church s evangelical ministry especially those challenges that illustrate the church s need for continuing conversion Part 3 discusses what a truly missional theology would mean for the church including sweeping changes in its institutional structures and practices Written for teachers church leaders and students of evangelism this volume is vital reading for everyone engaged in mission work
