

A silhouette of a person, likely a missionary, holding a cross high in their right hand. The person is facing right, and the cross is positioned in the upper right corner of the frame. The background is a bright, glowing yellow, suggesting a sunrise or sunset. The silhouette is dark and detailed, showing the contours of the head, shoulders, and arm.

Missionary Methods St Pauls Or Ours:

Missionary Methods Roland Allen, 1962-05-25 We are talking today of indigenous churches St Paul's churches were indigenous churches in the proper sense of the word and I believe that the secret of their foundation lay in his recognition of the church as a local church as opposed to our national churches and in his profound belief and trust in the Holy Spirit indwelling his converts and the churches of which they were members which enabled him to establish them at once with full authority Author's preface to the second 1927 edition **Missionary Methods** Roland Allen, 2017-02-15 Newly updated revised edition A complete missionary manual for evangelical missionaries Missionary Methods is an enduring classic a how to that every single missionary should read as well as any lay person who desires to be a useful part of the body of Christ The author Roland Allen takes a thorough look at the practice and principle of arguably the most successful church planter in history the biblical apostle Paul Every missionary difficulty and success can be found in Acts and the apostle Paul's letters which cover such topics as training discipleship finances and sustainability The methods are built on the foundation of a relationship with God salvation through Christ and the indwelling and leading of the Holy Spirit **Missionary Methods, St. Paul's Or Ours: a Study of the Church in the Four Provinces ... Introduction by ... Henry Whitehead.** Rev. Roland ALLEN, 1927 **Missionary Methods, St. Paul's Or Ours** Roland Allen, 2017-10-11 Roland Allen entered China on an assignment from the Society for the Propagation of the Gospel to their North China Mission He was later trapped within Beijing during the Boxer Rebellion hiding with other Christian foreigners and fearing for his life Traumatic events in his early life led him to take a new view on his calling as well as the theological standpoint and the methods of evangelising employed by most European churches at the time From the earliest Allen supported the approach of seeding churches which could support themselves grow on their own and perform their own governance activities He advocated the incorporation of local customs into the church and a wider variety of types of Christianity as opposed to churches which only mimicked European counterparts He envisaged better practice involving community leaders in the propagation of Christianity He was even willing to entertain the idea of deploying lay ministers without formal training across unconverted areas Arguing from his conviction that the Holy Spirit would guide new churches in their infancy he accused his contemporaries of patronising condescension In Missionary Methods he by turns excoriates missionary techniques and argues for the absolute necessity of proselytising to those who have not yet been able to know Christianity As a well travelled man of strong opinions his position on ethical missionary work is intriguing to say the least About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any

Missionary Methods Roland Allen, 2022-09-15 *Paul's Missionary Methods* Robert L. Plummer, John Mark Terry, 2012-11-21 Robert L. Plummer and John Mark Terry edit this collection of entry points into the missionary methods of the Apostle Paul Conducting a major reappraisal of Roland Allen's *Missionary Methods* St Paul's or Ours Michael Bird Eckhard Schnabel and others reconsider the relevance of Paul's missionary activities for the church today

Missionary Methods, St. Paul's Or Ours Roland Allen, 2019-06-19 Roland Allen discusses how to conduct successful missions comparing his own church's methods with the historical descriptions of the famous missionary of yore St Paul Comprehensive and instructional this book seeks to show the interested reader how an effective Christian mission is planned and undertaken Practical elements include the selection of a location and an evaluation of the social and moral condition of the local area The author attempts to draw comparisons with St Paul's own circumstances the world is shown to have moved on in many respects with conditions such as slavery far rarer in modernity than the distant past Chapters are dedicated to matters such as the teaching of the gospels the classic Christian missionary texts to instruct upon are those of Matthew Mark Luke and John A expert narration of Christ's life and lessons reliably told from memory and sufficient to capture and hold the interest of listeners is shown to be of essential use on most any mission
