Estleman, 1989 A classic Western from three time Golden Spur Award winner Loren D Estleman Legendary peacekeeper Irons St John agrees to run down the wild Buckner gang and rounds up a rowdy posse of low down lawbreakers to ride along St John and his crew are at their boisterous best on this manhunt and they re heading toward the wildest showdown the West has ever seen Loren Estleman rivals the finest American novelists with his gritty vision and keen ear Washington Post Book World "Mister St. John, side 5." Loren D. Estleman, *The Innocence Of Seduction* Mark Pracht, 2023-12-05 A love letter to comic books featuring characters based on the actual creators their work and how they were affected by the repercussions of overregulation Newcity Chicago 1950s America As a Congressional investigation probes the perceived connection between comic books and juvenile delinquency the lives of three fascinating individuals become entangled in the inquiry William Gaines the visionary behind horror comics Matt Baker a closeted Black artist drawing romance comics and Janice Valleau innovative creator of a groundbreaking comic featuring a female detective As the investigation unfurls their careers and personal lives are thrust into the spotlight revealing the profound impact of societal scrutiny on their creative endeavors Above it all is the leering figure of Dr Wertham whose dubious psychological book has America questioning its heroes Darkly funny *The Innocence of Seduction* is a riveting exploration of an era marked by censorship prejudice and the enduring resilience of artistic expression A rather deep show that keeps our interest with its focus on dark humor A commentary on the comics of the day and an advocacy piece against censorship Around The Town Chicago Aladdin O'Brien Gouverneur Morris, 2022-09-15 In *Aladdin O'Brien* Gouverneur Morris delivers a tale that brims with the youthful vigor and roguish adventures more akin to American pulp fiction than its mythical namesake *The Arabian Nights* The novel s narrative weaves a coming of age story for both Aladdin and Margaret set against the backdrop of a young America where innocence meets the thrill of defiance Morris s prose embarks from the mechanical to the poetic effectively capturing the paradox of sin and sanctity through the escapades of its protagonists His style characteristic of the early 20th century American literary movement delights in the exploration of boundaries both moral and geographical while providing a counterpoint to the purity of Sunday school teachings with the mischievous and often transgressive play of the young hearts Gouverneur Morris not to be confused with the Founding Father of the same name stands as a noteworthy figure amongst early 20th century writers known for his prolific contributions to the pulp genre Morris s own upbringing and personal experiences are often mirrored in his brazen characters casting a blend of personal reflection and fantasy over his works Through *Aladdin O'Brien* Morris likely channels his own youthful antics and societal observations constructing a world where daringness and repentance dance a delicate duet much akin to his own complex relationship with the era s mores and expectations Readers will find *Aladdin O'Brien* to be an engaging dive into the complexities of youth as navigated by its indelible characters It is a book that

would charm those with a penchant for early American pulp combined with nuanced psychological insight Morris's work is particularly recommended for its depiction of the tug of war between youthful audacity and the inevitable maturity set in a timeless universe where every lesson in corruption is at once a step towards enlightenment The novel is a journey of nostalgia for some and a discovery of perennial themes for others compelling for anyone who revels in the tapestry of human experiences that fiction weaves
