*Masterpieces of American Wit and Humor (Complete)* Various

Authors, 1911-01-01 In this complete 10 Volume set are selections from the pen of this company of fun makers as well as many more including a number by clever women humorists This collection is made up of poems stories humorous articles fables and fairy tales offered for your choice with subjects as diverse as the styles but however the laugh is gained in whatever fashion the jest is delivered the laugh maker is a public benefactor for laughter is the salt of life and keeps the whole dish sweet foreword Authors such as Bret Harte Henry Ward Beecher James Whitcomb Riley Samuel Clemens Mark Twain Joel Chandler Harris Thomas Bailey Aldrich and many more It was in the year of our Lord 1629 that Mynheer Wouter Van Twiller was appointed Governor of the province of Nieuw Nederlandts under the commission and control of their High Mightinesses the Lords States General of the United Netherlands and the privileged West India Company This renowned old gentleman arrived at New Amsterdam in the merry month of June the sweetest month in all the year when dan Apollo seems to dance up the transparent firmament when the robin the thrush and a thousand other wanton songsters make the woods to resound with amorous ditties and the luxurious little bob lincon revels among the clover blossoms of the meadows all which happy coincidences persuaded the old dames of New Amsterdam who were skilled in the art of foretelling events that this was to be a happy and prosperous administration The renowned Wouter or Walter Van Twiller was descended from a long line of Dutch burgomasters who had successively dozed away their lives and grown fat upon the bench of magistracy in Rotterdam and who had comported themselves with such singular wisdom and propriety that they were never either heard or talked of which next to being universally applauded should be the object of ambition of all magistrates and rulers There are two opposite ways by which some men make a figure in the world one by talking faster than they think and the other by holding their tongues and not thinking at all By the first many a smatterer acquires the reputation of a man of quick parts by the other many a dunderpate like the owl the stupidest of birds comes to be considered the very type of wisdom This by the way is a casual remark which I would not for the universe have it thought I apply to Governor Van Twiller It is true he was a

man shut up within himself like an oyster and rarely spoke except in monosyllables but then it was allowed he seldom said a foolish thing So invincible was his gravity that he was never known to laugh or even to smile through the whole course of a long and prosperous life Nay if a joke were uttered in his presence that set light minded hearers in a roar it was observed to throw him into a state of perplexity Sometimes he would deign to inquire into the matter and when after much explanation the joke was made as plain as a pike staff he would continue to smoke his pipe in silence and at length knocking out the ashes would exclaim Well I see nothing in all that to laugh about With all his reflective habits he never made up his mind on a subject His adherents accounted for this by the astonishing magnitude of his ideas He conceived every subject on so grand a scale that he had not room in his head to turn it over and examine both sides of it Certain it is that if any matter were propounded to him on which ordinary mortals would rashly determine at first glance he would put on a vague mysterious look shake his capacious head smoke some time in profound silence and at length observe that he had his doubts about the matter which gained him the reputation of a man slow of belief and not easily imposed upon What is more it gained him a lasting name for to this habit of the mind has been attributed his surname of Twiller which is said to be a corruption of the original Twijfler or in plain English Doubter
