Moabit Sonnets:

Moabit Sonnets Albrecht Haushofer, 1978 These eighty sonnets were written by a man expecting to be executed for his resistance to the Nazi regime

Moabite Sonnets Albrecht Haushofer, 2001 First English publication with German originals of 79 sonnets of personal philosophical and political themes and an explanation of the singular position of Albrecht Haushofer a Jewish German who served and then tried to overthrow the Nazi state Light is shed on the geopolitics of the imperialist Fabian Sir Halford MacKinder which were taken up by Albrecht's father Karl and introduced by Hitler by Karl's student Rudolf Hess

The Truth About Rudolf Hess James Douglas-Hamilton, 2016-06-30 Rudolf Hess flight to Britain in May 1941 stands out as one of the most intriguing and bizarre episodes of the Second World War In *The Truth About Rudolf Hess* Lord James Douglas Hamilton explores many of the myths which still surround the affair He traces the developments which persuaded Hess to undertake the flight without Hitler's knowledge and shows why he chose to approach the Duke of Hamilton In the process he throws light on the importance of Albrecht Haushofer one time envoy to Hitler and Ribbentrop and personal advisor to Hess who was eventually executed by the SS for his involvement in the German Resistance movement Drawing on British War Cabinet papers and the authors unparalleled access to both the Hamilton papers and the Haushofer letters this new and expanded edition of *The Truth About Rudolf Hess* takes the reader into the heart of the Third Reich combining adventure and intrigue with a scholarly historical approach

The Heart of James McAuley Peter Coleman, 2006 *The Heart of James McAuley* examines the work of the famous poet editor critic and political thinker It places the poetry in its biographical context from his anarchistic and avant garde youth to the libertarian conservative and Catholic convert of later years It takes a new look at the great Ern Malley hoax his profound essays on the decolonization of New Guinea his association with such major figures as B A Santamaria and Sir John Kerr his involvement with the Industrial Groups in the ALP and with the DLP his founding of the magazine *Quadrant* and his response to a number of controversies from the CIA scandals to the New Left assaults on the universities No other biography of McAuley encompasses all the wide ranging activities of this great poet

Berlin Paul Sullivan, Marcel Krueger, 2016-07-26 *Berlin* is a city forever in the process of becoming never being and so it lives more powerfully in the imagination Rory Maclean *Berlin* Imagine a City Located at the epicentre of some of modern Europe's most significant and turbulent events Berlin has long held a magnetic attraction for writers From 19th century authors recording the city's dramatic transition from Prussian Hauptstadt to German capital after 1871 and the modernist intellectuals of the Weimar period to the resistance writers brave enough to write during the dark years of the Nazi era and those who captured life on both sides of the divided city a body of literature has emerged that reveals Berlin's ever shifting identity Since 1989 Berlin has yet again become a crucible of creativity serving as both muse and sanctuary for a new generation of writers who regularly claim it as one of the most exciting cities in the world This unique and engaging book functions as an introduction to some of the finest writing in and about the city as well as a guide

to some of its best sights and vibrant neighbourhoods Spanning more than 200 years of local life and literature it features German authors as diverse as E T A Hoffmann Joseph Roth Jorg Fauser and Christa Wolf as well as a slew of famous international names such as Mark Twain Philip Hensher and Chloe Aridjis *Literature and Film in the Third Reich* Karl-Heinz Schoeps,2004 This book is the first survey in English of literature and film in Nazi Germany It treats not only works sympathetic to National Socialism but also works of the so called Inner Emigration of the resistance and those written in prisons and concentration camps Much of this literature is not easily accessible in German and not available at all in English translation Historical and ideological context is provided in chapters covering influential works of the time such as Alfred Rosenberg s *The Myth of the Twentieth Century* and Houston Stewart Chamberlain s *The Foundations of the Nineteenth Century* Schoeps also analyzes Nazi cultural policies fascist histories of literature and the role of German studies and Germanists in the Nazi movement A major section of the book is devoted to film then a relatively new medium of communication whose propaganda value was clearly recognized by Goebbels the minister for propaganda and president of the Reich s Chamber of Culture One of the most interesting areas of research in recent years is the relationship between Hitler s cultural commissars in particular Goebbels and the literature and film production of the Nazi years This book is based on the revised and expanded second German edition *Literatur im Dritten Reich* 1933 1945 but has again been revised and expanded especially the chapter on film and Nazi policies toward the film industry The chapter on cultural policies has also been expanded to include Himmler s efforts to meddle in this area New also are sections dealing with Jewish entertainers in concentration camps for example Kurt Gerron and activities of the Jewish Cultural League Karl Heinz Schoeps is professor of German at the University of Illinois at Urbana Champaign **Against All Odds** Corina L. Petrescu,2010 *German Life and Civilization* provides contributions to a critical understanding of Central European cultural history from medieval times to the present Culture is here defined in the broadest sense comprising expressions of high culture in such areas as literature music pictorial arts and intellectual trends as well as political and sociohistorical developments and the texture of everyday life *Defying Hitler* Gordon Thomas,Greg Lewis,2019-04-23 A terrifying and timely account of resistance in the face of the greatest of evils Alex Kershaw New York Times bestselling author of *The First Wave* An enthralling story that vividly resurrects the web of everyday Germans who resisted Nazi rule Nazi Germany is remembered as a nation of willing fanatics But beneath the surface countless ordinary everyday Germans actively resisted Hitler Some passed industrial secrets to Allied spies Some forged passports to help Jews escape the Reich For others resistance was as simple as writing a letter denouncing the rigidity of Nazi law No matter how small the act the danger was the same any display of defiance was met with arrest interrogation torture and even death *Defying Hitler* follows the underground network of Germans who believed standing against the Fuhrer to be more important than their own survival Their bravery is astonishing a schoolgirl beheaded by the Gestapo for distributing anti Nazi fliers a German American teacher who smuggled

military intel to Soviet agents becoming the only American woman executed by the Nazis a pacifist philosopher murdered for his role in a plot against Hitler a young idealist who joined the SS to document their crimes only to end up to his horror an accomplice to the Holocaust This remarkable account illuminates their struggles yielding an accessible narrative history with the pace and excitement of a thriller Moabit sonnets (Moabiter Sonette, engl.) Transl. by M.D. Herter Norton Albercht Haushofer, M. D. Herter Norton, 1978 The Grammar of the Real James Phillip McAuley, 1975 Camp Z Stephen McGinty, 2011-10-18 On May 10 1941 Rudolf Hess then the deputy Führer parachuted over Renfrewshire in Scotland on a mission to meet with the Duke of Hamilton ostensibly to broker a peace deal with the British government After being held in the Tower of London he was transferred to Mytchett Place near Aldershot The house was fitted with microphones and sound recording equipment guarded by a battalion of soldiers and code named Camp Z Churchill's instructions were that Hess should be strictly isolated and that every effort should be taken to get information out of him During the ensuing thirteen months a psychological battle was waged between intelligence officers using the new Freudian techniques of dynamic psychologies and the man who had been a heartbeat away from Hitler Stephen McGinty uses new documentation and contemporaneous reports diaries letters and memos to piece together a riveting account of the claustrophobia paranoia and highstakes gamesmanship being played out in an English country house Camp Z is a locked room mystery in which the locked room is a man's head and no one is certain whether the mind within it which holds information that could help change the course of the Second World War is sane or insane Quadrant James Phillip McAuley, 1960 **Inferno**, 1951
