Kwangju and the opposition has used it effectively as a rallying point U S policy also has been affected for Koreans remember that the troops Chun used to crush the Kwangju uprising were part of the U S Korean joint defense structure technically under the command of the U S general in Seoul U S acquiescence in the use of military force in Kwangju has stimulated rising anti Americanism in South Korea and poses problems for the future of the alliance This interdisciplinary study is the first to present a balanced view of this emotion laden event and its continuing impact on Korean politics The book includes an eyewitness account by an anthropologist a literary assessment and a historian s analysis of recent interviews with the two top U S officials on the scene Ambassador William Gleysteen and General John A Wixckham
