News Under Russias Old Regime:

The News under Russia's Old Regime Louise McReynolds, 2014-07-14 In this lively account of the rise of a commercial newspaper industry in imperial Russia Louise McReynolds explores how the mass circulation press created a forum for popular opinion advocating political change From the Great Reforms of Tsar Alexander II in 1855 to the Bolsheviks shut down of the newspapers in 1917 she chronicles the exploits of publishers and editors writers and readers Arguing that this prosperous industry both expressed and shaped the development of ideas among new social groups McReynolds provides insight into the growth in Russia of a fragile pluralism characteristic of modern societies Her discussion of the relationship between communications and politics which draws especially on Jurgen Habermas combines a variety of interrelated ingredients institutional histories of major newspapers biographical sketches of journalists the intellectual impact of the new language of newspaper journalism the political ramifications of public opinion under the auspices of an autocratic government Comparing the Russian press with independent commercial newspaper industries in the United States England and France McReynolds examines the extent to which Russia was evolving according to Western political and socioeconomic patterns before the Bolshevik Revolution Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The News Under Russia's Old Regime Louise McReynolds, 1991-01-01

Reading Russian Sources George Gilbert, 2020-01-20 Reading Russian Sources is an accessible and comprehensive guide that introduces students to the wide range of sources that can be used to engage with Russian history from the early medieval to the late Soviet periods Divided into two parts the book begins by considering approaches that can be taken towards the study of Russian history using primary sources It then moves on to assess both textual and visual sources including memoirs autobiographies journals newspapers art maps film and TV enabling the reader to engage with and make sense of the burgeoning number of different sources and the ways they are used Contributors illuminate key issues in the study of different areas of Russia s history through their analysis of source materials exploring some of the major issues in using different source types and reflecting recent discoveries that are changing the field In so doing the book orientates students within the broader methodological and conceptual debates that are defining the field and shaping the way Russian history is studied Chronologically wide ranging and supported by further reading along with suggestions to help students guide their own enquiries Reading Russian Sources is the ideal resource for any student undertaking research on Russian history

Russia Mauricio Borrero, 2009 A reference guide to the world s largest country Covering influential individuals significant places and important policies it provides readers with a greater

understanding of Russian history A narrative history chronology and A Z entries are included **Information and Empire** Simon Franklin,Katherine Bowers,2017-11-27 From the mid sixteenth to the mid nineteenth century Russia was transformed from a moderate sized land locked principality into the largest empire on earth How did systems of information and communication shape and reflect this extraordinary change Information and Mechanisms of Communication in Russia 1600 1850 brings together a range of contributions to shed some light on this complex question Communication networks such as the postal service and the gathering and circulation of news are examined alongside the growth of a bureaucratic apparatus that informed the government about its country and its people The inscription of space is considered from the point of view of mapping and the changing public graphosphere of signs and monuments More than a series of institutional histories this book is concerned with the way Russia discovered itself envisioned itself and represented itself to its people Innovative and scholarly this collection breaks new ground in its approach to communication and information as a field of study in Russia More broadly it is an accessible contribution to pre modern information studies taking as its basis a country whose history often serves to challenge habitual Western models of development It is important reading not only for specialists in Russian Studies but also for students and non Russianists who are interested in the history of information and communications

Yiddish Transformed Nathan Cohen,2023-06-09 As significant economic social political and cultural transformations swept the Jewish population of Tsarist Russia and Congress Poland between 1860 and 1914 the Yiddish language Zhargon began to gain recognition as a central part of the Jewish cultural stage Yiddish Transformed examines the secular reading habits of East European Jews as the Jewish community began shifting to a modern society Author Nathan Cohen explores Jewish reading practices alongside the rise of Yiddish by delving into publishing policies of Yiddish books and newspapers popular literary genres of the time the development of Jewish public libraries as well as personal reflections of reading experiences **Obshchestvennost' and Civic Agency in Late Imperial and Soviet Russia** Yasuhiro Matsui,2015-10-13

In modernizing Russia obshchestvennost an indigenous Russian word began functioning as a term to illuminate newly emerging active parts of society and their public identities This volume approaches various phenomena associated with the term throughout the revolution examining it in the context of the press public opinion and activists *Russia* Gregory L. Freeze,2000 Thirteen American and European historians exploit the archival revolution of 1991 as well as the best contemporary scholarship to provide a major reinterpretation of Russian history 16 color plates 181 halftones maps *Good News for Russia* Jesse Wendell Brooks,1918 **Chicago Daily News Almanac** ,1917 *Russian Nationalism Since 1856* Astrid S. Tuminez,2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases_Russian panslavism in 1856 1878 and great power nationalism in 1905 1914_when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of

nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior

The Illustrated London News, 1908

A History of Russia Catherine Evtuhov, Richard Stites, 2004 A History of Russia Peoples Legends Events Forces is a comprehensive narrative conceived and developed after the collapse of the former Soviet Union Informed by the burgeoning historiography of the 1990s the text balances political and economic explorations of everyday life social roles cultural dynamics and gender issues Many texts on this subject are written from a pre Confederation point of view that may be unsuitable for today s classroom This text provides strong coverage of 20th century Russia and the U S S R without sacrificing its coverage of earlier historical periods

Russian Social Networks, Public Opinion, and Intelligentsia Identity in the First Half of the Nineteenth Century David I. Burrow, 2005

Pearson's Magazine, 1919 Pearson s Magazine 1899 1925 a monthly magazine devoted to literature politics and the arts was founded as a New York affiliate of the London periodical of the same name part of which it reprinted From 1916 to 1923 it was edited by Frank Harris

The Lena Goldfields Massacre and the Crisis of the Late Tsarist State Michael S. Melancon, 2006 In 1912 a thin line of Russian soldiers confronted by a large crowd of gold miners on strike for several weeks reacted with fear and anger At their officers orders they opened fire shooting five hundred unarmed protestors The event reverberated across Russia The Lena goldfields massacre can be viewed from several distinct viewpoints each presenting a contrasting story Author Michael Melancon avoids prematurely picking a right way of looking at the massacre Instead he explores all aspects of the incident from the despair of the miners at the poor conditions they faced to the calculations and priorities of the mining entrepreneurs and state officials and even the rationale of the soldiers who pulled the triggers The Lena Goldfields Massacre and the Crisis of the Late Tsarist State will appeal to anyone interested in labor relations in revolutionary movements and in transitions associated with modernization Its comparative framework will be helpful for generalists and Europeanists It will also provide food for thought for those who seek a carefully researched examination of Russian society during the early twentieth century
