Next Move of God Fuchsia Pickett, ThD., D.D., Fuchsia T. Pickett, 1996-07-12 As the charismatic movement continues to grow many wonder where it is headed What is the next move of God Author Fuchsia Pickett illustrates the coming new wave of the Holy Spirit This message will be of particular interest to those who have been involved in the prophetic interpretation of Scripture The Next Move of God Fuchsia Pickett, 2014-12-12 **The Next Great Move of God** Jennifer

LeClaire, 2015-04-07 BE PART OF THE MOVEMENT THAT REACHES HEAVEN Before its foundation America first flew the Appeal to Heaven flag It was the banner George Washington used on his navy ships to signal that their only hope against British rule and religious persecution was an appeal to heaven The crusade continues today Sparked in part by a revelation Dutch Sheets received over the course of twelve years the nation is being called back to prayer for a Third Great Awakening As a result pockets of revival are breaking out across the nation Through in depth interviews eye witness accounts transcribed speeches and prophetic visions from noted leaders such as Billy Graham Reinhard Bonnke the late Steve Hill and others The Next Great Move of God serves as a means to not only fan the fires of revival unto this awakening but also equip you to sustain it The Next Move of God Micheal Pipes, 2012-01-03 On 11 11 11 Micheal was taken into a deep place in the spirit through a vision which would profoundly change his life ministry and ultimately the Christian world Micheal imparts the same deep anointing which he was entrusted with and shares what is coming to the Church and Kingdom through his ministry The Next Move of God The Experience is not just a book it is an active alive encounter for you to experience if you want to go deeper in the glory and closer in intimacy to God **The Next Move of God**, 2024-10-16 The purpose of this study guide is to illuminate the path towards aligning with the divine vision of a Kingdom Nation as outlined in the scriptures It serves as a beacon for believers and churches guiding them away from outdated religious and worldly paradigms towards a true understanding of God's kingdom and its principles The guide intricately dissects the biblical contrast between the Tree of Life and the Tree of Knowledge of Good and Evil underscoring their symbolic representation of two divergent life systems and perspectives of God This course not only aims to deepen the understanding of the spiritual importance of these concepts but also encourages the application of Kingdom oriented systems in various aspects of society including government economy healthcare and education By exploring the failures and successes of biblical Kingdom Nation prototypes and the Christian mandate to disciple nations this guide endeavors to empower individuals and communities to live purposefully follow divine patterns and engage in transforming national structures according to God's original design and plan *The Next Move of God* Micheal Pipes, 2014-11-13 on 11 11 11 Micheal was taken in the Spirit and given this vision of the Next Move of God for the Church **The Next Move of God** Luis Capdevila, 2011 This book chronicles past moves of God and reveals the last and greatest move of God that will perfect the saints and usher in the coming of Christ You will be surprised what that next and last move of God will be *Why Is There No Lasting Revival* Bill Vincent, 2023-02-05 God said to me Why is there no lasting

revival Most revivals don't last long They start up Sometimes it takes a while to start them up But sometimes they start up and then they fizzle out Five years is a very long revival I've been in a revival where it's been two years I've been in a revival that was only six months And you got to understand whatever the timetable is there are different levels of revival But why isn't there any long lasting revival and I got some things that I'm going to get into here but I'm going to be jumping around But I really believe that we have gotten to be in a delusion in the church People don't even know what they're asking for when they ask for revival they want revival to come They want God to move in the church But then when God begins to shift and begin to try to do it they're like oh I don't want that Let me tell you something you cannot say what the revival is going to be You can't choose the revival You can't even choose the people that are going to come to it Come on we would like to choose And it's you say all that what's wrong with that There's something wrong with that But you got to understand I couldn't have a choice God's that kind of God sometimes he'll bring some of those people And they'll come and they'll plop it down in the seat And they'll have the stirring like they never left And I'm telling you there's a lot of things that are happening but we have been delusional for so long And there are some things that are about to happen because we want the stirring of revival but we don't want the change Let me tell you some revival is going to come and it's going to change everything It's gonna change the way you even look at church

**Together** Geoff Surratt, Sherry Surratt, 2018-01-09 Serving in numerous ministry capacities together Geoff and Sherry Surratt have valuable lessons and observations to pass along to couples seeking to serve in ministry together Marriage is hard Learning to do life with another human being presents unanticipated challenges that take determined focused humbling effort to work through Ministry is hard Much like marriage it's full of unanticipated challenges requires a great deal of selflessness and often comes with little reward Marriage and ministry together It's a unique calling yet couples who enter into it seldom receive adequate preparation training or even warning Geoff and Sherry Surratt have been at both marriage and ministry together for over 30 years and have seen the highs lows and everything in between they've managed to figure out a way to make it all work together But the Surratts aren't the Facebook ministry couple with perfect hair perfect skin and perfect children In fact Together isn't a how to guide to create the model marriage in ministry It's more like coffee with friends who've been where you are going and have learned some valuable lessons that may help you find your way together

Giant Lessons from David Claybon Lea Jr. DMin PhD, 2021-07-30 The definition of success varies widely from person to person and is often influenced by one's goals dreams experiences and stage in life Anyone considered to be a public success has survived personal attacks sabotage hardships and disappointments Nevertheless neither their survival nor success would be noteworthy apart from the lessons they learned along the way This book is not intended to be a self help guide that dictates a prearranged series of steps to success Rather by drawing insights from the life of David who began as a humble shepherd boy and became the most celebrated king in the history of Israel Giant Lessons From David seeks to help you manage your own journey of success To that end this book makes a few

fundamental presuppositions First success is a journey that always entails enemies experiences and emotions that must be managed Second success is influenced by the providential favor of God Third there are valuable lessons to be learned about God life and self at every stage of the journey Practical uplifting and relatable this biblically based book of Giant Lessons from the life of David is a must read for anyone looking to manage the highs and lows of a successful life **Gripped by the Greatness of God** James MacDonald,2008-09-01 When was the last time you were really and truly gripped by God s greatness Most Christians recall heartfelt resolutions around a fire at bible camp as children and perhaps a revival meeting or two But what causes the fervor of those experiences to translate into a consistent life pattern Pastor and author James MacDonald believes that the better we understand God the better we understand ourselves and the less likely we are to favor our own will over God s He writes God is not safe and He will not be squeezed into some neat respectable Sunday discussion No To Know God at all is to watch Him explode any box we put Him in with His terror majesty and indescribable wonder Expounding upon Isaiah s encounters with God MacDonald prods snoozing saints to rediscover the wonder of God s attributes He also shares candidly from his experiences in life and ministry where God proved Himself to be the Great I AM This book will spur new and seasoned believers alike to detest mediocrity in their spiritual walks Ideal for individual or small group study **Passing the Mantle - Making Room for the Next Move of God** Johnny Riley, Jr,2025-06-05 Passing the Mantle Making Room for the Next Move of God is a biblically grounded and practically driven guide for church leaders navigating leadership transitions with grace wisdom and spiritual clarity Drawing from the lives of Moses and Joshua Elijah and Elisha Paul and Timothy and John the Baptist and Jesus this book explores how to identify prepare and release the next generation of leaders without losing the spiritual momentum of a ministry Author Johnny Riley Jr a seasoned pastor leadership consultant and community strategist equips outgoing and incoming leaders church boards and congregations to understand the theology behind transition the emotional complexities involved and the systems needed for lasting legacy With 12 clear chapters practical tools and reflection questions Passing the Mantle empowers churches to move from succession anxiety to strategic spiritual alignment This book challenges readers to lead beyond ego prepare beyond position and trust God for what s next Whether you are stepping down stepping in or leading through the process Passing the Mantle will help you build bridges not barriers for the next move of God *MORNING SHOWERS 5 MINUTES EARLY MORNING PROPHETIC PRAYERS FOR YOU Volume 2* Olusegun Festus Remilekun,2020-05-03 Psalm 5 3 says My voice shalt thou hear in the morning O LORD in the morning will I direct my prayer unto thee and will look up Morning Showers is a powerful morning prophetic prayer release manual from the mouth of the oracle of God The daily prophetic release is a wonderful way to focus your time and attention on seeking God s plan for the day ahead Whether you need encouragement peace strength or rest God can meet you in a very real and present way when you come before Him with a humble heart Seek God s presence each morning before your energy and attention are pulled by all the tasks you have ahead Jeremiah 1 7 says But the

Lord said to me Do not say I am too young You must go to everyone I send you to and say whatever I command you God has commanded me to declare His words upon your life These are special Holy Ghost vomited prophetic prayer releases from my mouth to you for your daily blessing victory favor breakthroughs and open doors Through these daily prophetic prayers your destiny will be revived remolded and manifest the glory of God and you will possess your possessions every day     **The Next Move of God** - Micheal Pipes,2012-09-06 Micheal follows up to the best seller Next Move of God The Experience and goes deeper into what God is doing internally in the lives of those who have suffered setbacks traumas abuse and have become stuck and paralyzed unable to go forward until the root is exposed explained up rooted and replaced with the truth about who you are and what you have been given     **Charisma and Christian Life** ,2003     *Passing on the Move of God to the Next Generation* Bert M. Farias,2016-04-23 This book Passing on the Move of God to the Next Generation is like a template for the New Testament Church Its words act as a plumb line that will help restore the uncompromised Word and the fullness of the Spirit back to our pulpits and churches When we compare the Word that the early apostles preached and that of our more recent Pentecostal forefathers we find a depth and richness rarely evidenced today Additionally there was also an understanding and accuracy in spiritual operations that are clearly missing from normal Pentecostal and Charismatic experience in this generation But there is a hunger stirring at our spiritual tables and a thirst screaming out from the deep wells that have been dug from past fathers of the faith Can you hear the winds of God blowing and the sound of the abundance of rain Bert Farias blows the trumpet loud and clear summoning the Church and its preachers to return to the authenticity of the Scriptures and their Pentecostal roots of Spirit and fire Acts 2 If we heed this call it can turn the tide of ignorance apathy and compromise and flood our churches again with the real move of the Holy Spirit     **Christ, the Healer** Fred Francis Bosworth,1924     **God's Prisoner** John Oxenham,1899     **Leaves of Healing** ,1928     *Marked by Childlikeness* Brian Higbee,2023-08
