Practice: Lecture notes in contemporary General Practice - Second Edition Chris Heath,2023-07-24 This is a text book for all
doctors but especially GPs appraisers and registrars It is written by a 40 year plus front line NHS doctor who for most of his
career worked twice to three times the current doctors Working Time Directive limited week Chris Heath has been a
Paediatric Lecturer in a teaching hospital an Anaesthetist various junior specialists and a GP over 30 years in 3 different
practices He has been a GP Trainer and Appraiser and has seen politics and political correctness harm patients interests
constantly over the last half of his career From the way it selects young doctors to the way they are educated and assessed
the best interests of the patient are largely ignored This is a text book but it also contains home truths insights and a warts
and all appraisal of how to be a good doctor as well as an unbiased assessment of what is wrong with today s NHS It also
explains why today s politicians medical schools and doctors will resist the changes that are needed to put the patients needs
