Jacket **Cultural Keywords in Discourse** Carsten Levisen, Sophia Waters, 2017-10-15 Cultural keywords are words around which whole discourses are organised. They are culturally revealing, difficult to translate and semantically diverse. They capture how speakers have paid attention to the worlds they live in and embody socially recognised ways of thinking and feeling. The book contributes to a global turn in cultural keyword studies by exploring keywords from discourse communities in Australia, Brazil, Hong Kong, Japan, Melanesia, Mexico and Scandinavia. Providing new case studies, the volume showcases the diversity of ways in which cultural logics form and shape discourse. The Natural Semantic Metalanguage (NSM) approach is used as a unifying framework for the studies. This approach offers an attractive methodology for doing explorative discourse analysis on emic and culturally sensitive grounds. *Cultural Keywords in Discourse* will be of interest to researchers and students of semantics, pragmatics, cultural discourse studies, linguistic ethnography and intercultural communication.

A Promising Man (and About Time, Too) Elizabeth Young, 2011-11-22 From the fire hot author of *Asking for Trouble* comes a second irresistibly funny and romantic novel in which we meet the delightfully wicked Harriet and John who are matched as perfectly as scones and clotted cream if only Harriet would let herself indulge. Up to her eyeballs in her friends' dramas, Harriet Grey has no time for her own let alone getting entangled with John Mackenzie. And though it's been ages since she's met one of the most gorgeous men London has to offer, it seems John's entangled with someone else. Or is he? Though they say all's fair in love, Harriet isn't about to complicate her life or risk her heart. But the persistent John seems to pop up everywhere she turns and soon she's agreeing to meet him for a cocktail to repay a favor. After all, what harm can come out of one innocent little drink? Maybe a few breathtaking kisses, some suspiciously lingering embraces and a wonderful weak-kneed dizziness that most definitely is not the flu. And that's before she finds herself all alone with John at Christmas.

The Marriage Monitoring Aunties' Association Ola Awonubi, 2025-07-11 It is lovely to see a story that centres an older female character with such honesty and warmth. A must read for anyone who believes love doesn't have an expiration date.

The Crooked Billet Dion Titheradge, 1930 *The Good Girl Stripped Bare* Tracey Spicer, 2017-05-01 From *bogan* to *boned* and beyond a full frontal memoir by one of Australia's best loved journalists. From *bogan* to *boned* and beyond a full frontal memoir, Tracey Spicer was always the good girl. Inspired by Jana Wendt, this *bogan* from the Brisbane backwaters waded through the cruel and shallow money trench of television to land a dream role: national news anchor for a commercial network. But the journalist found that for women TV was less about news and more about helmet hair, masses of makeup and fatuous fashion in an era when bosses told you to stick your tits out, lose two inches off your arse and quit before you're too long in the tooth. Still, Tracey plastered on a smile and did what she was told. But when she was sacked by email after having a baby, this good girl turned bad, taking legal action against the network for pregnancy discrimination. In this frank and funny memoir, part manifesto, Tracey sheconstructs the structural barriers facing women in the workplace and encourages us all to shake off the shackles of the good girl. Glows with the wisdom of a woman.
