**Nicene and Post-Nicene Fathers. Second Series (Vol. 11: Sulpitius Severus, Vincent of Lerins, John Cassian).** D.D. Schaff (LL.D., Philip.),2004     Nicene and post-Nicene fathers. Second series. Vol. 11, Sulpitius Severus, Vincent of Lerins, John Cassian John Cassian (Saint, ca 360-435),1995     *Praying the Language of Enmity in the Psalter* Aran J. E. Persaud,2016-07-22 How is it possible to hold a New Testament ethic to love one s enemies and pray for their physical infliction shame death and suffering of family members And yet the Psalter the prayer book of the Church contains such prayers In modern times the Church has adopted a semi Marcionite attitude towards these troubling texts excluding whole psalms or parts from liturgies and private use But as the age of terror dawns upon us we are finding that these texts speak of unchanging realities that perhaps the ancients were abler to understand than moderns Two great wars and a multitude of ideologies proved in the last century that the intellect cannot prevent these irrational impulses of destruction and post modern societies of the present century with their multitude of voices really offer no voice to counter moral evil This study of six psalms with graphic language of enmity seeks to help the reader overcome shallow views of the mystery of evil cultural blinkers of the use of language and even personal prejudices It attempts to recover the complete prayer book of the Church as it once was Israel s prayer book     *A History of the Apocalypse* Catalin Negru,2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history     *Nicene and Post-Nicene Fathers: Second Series: Vol. 11: Sulpitius Severus, Vincent of Lerins, John Cassian* Henry Wace,     **British Museum Catalogue of printed Books** ,1896     **Why Christians Should Not Tithe** James D. Quiggle,2009-08-01 The premise of Why Christians Should Not Tithe is simple God having freed his people from the Law through faith in Jesus Christ does not place on them a burden from the Law The thesis is equally as simple Christian giving is not a tithe Christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed Why Christians Should Not Tithe is a thorough discussion of the four tithes in Moses Law Jesus comments on tithing and the twenty one principles of giving developed by the apostles in Acts and the epistles Included is a brief review of the history of tithing from post apostolic times to the present The book concludes with a new paradigm for giving not based on the tithe but on the apostles doctrine of Christian

giving Should Christians tithe to support the gospel Here is a study that will help every Christian discover the biblical answer for him or her self     Tried by Fire William J. Bennett, 2016-03-22 Full of larger than life characters stunning acts of bravery and heart rending sacrifice Tried by Fire narrates the rise and expansion of Christianity from an obscure regional sect to the established faith of the world's greatest empire with influence extending from India to Ireland Scandinavia to Ethiopia and all points in between William J Bennett explores the riveting lives of saints and sinners paupers and kings merchants and monks who together and against all odds changed the world forever To tell their story Bennett follows them through the controversies and trials of their time Challenged by official persecution heresy and schism they held steadfast to the truth of Christ Strengthened by poets preachers and theologians they advanced in devotion and love In this moving and accessible narrative Tried by Fire speaks across centuries to offer insight into the people and events that shaped the faith that continues to shape our lives today     **Bookseller and the Stationery Trades' Journal** , 1895     *The History of Jerusalem* Alan J.

Potter, 2020-12-02 Fascinating revelations of the parts played by David Solomon Judas Maccabee Pompey Cleopatra Justinian and others in the making of the city Jerusalem is one of the oldest cities in the world with evidence of an original settlement dating back more than 4 000 years Vitally important was the supply of water provided by the Gihon Spring in a land that normally experienced rainfall only from November to March Since then this Middle Eastern city has been attacked and devastated on numerous occasions Former rulers include King David who established the City of David and his son Solomon who expanded Jerusalem and built the first Great Temple on Mount Moriah Destruction 2 600 years ago saw most of the inhabitants exiled to Babylon but as the Jewish diaspora returned the Temple and city were rebuilt Wars between the Ptolemaic and Seleucid successors of Alexander the Great seemed endless but the resistance of the Maccabee brothers eventually led to the glorious reign of the Hasmonean kings Roman interference and the enforcement of the despotic Herod the Great as king led inevitably to the catastrophic Jewish Roman wars and Jerusalem was once again destroyed Christianity eventually facilitated a reinvigorated Byzantine Jerusalem which became one of the world's most beautiful cities The bubonic plague was survived but a new low saw the Persians sack the city before Heraclius triumphantly returned Christ's True Cross to Jerusalem *The History of Jerusalem Its Origins to the Early Middle Ages* is the first of its kind to examine in detail the rich history of Jerusalem during antiquity up to the year 630 CE This in depth account goes further than other volumes in terms of the breadth and scale of events covered and offers an unbiased but critical appraisal of the colorful history of Jerusalem and the surrounding areas     List of Books Forming the Reference Library in the Reading Room of the British Museum British
