

The background of the banner is a solid blue color. In the center, the words "prime day" are written in a white, lowercase, sans-serif font. Below the text, a white Amazon smile logo is visible. The foreground features several blue circular platforms of varying heights. On these platforms are various power tools: a chainsaw on the left, a drill with a large blue battery, a chainsaw with a blue handle, and a leaf blower on the right. The tools are arranged in a way that they appear to be part of a display or a competition.

The Adaptation Advantage Heather E. McGowan,Chris Shipley,2020-04-09 A guide for individuals and organizations navigating the complex and ambiguous Future of Work Foreword by New York Times columnist and best selling author Thomas L Friedman Technology is changing work as we know it Cultural norms are undergoing tectonic shifts A global pandemic proves that we are inextricably connected whether we choose to be or not So much change so quickly is disorienting It s undermining our sense of identity and challenging our ability to adapt But where so many see these changes as threatening Heather McGowan and Chris Shipley see the opportunity to open the flood gates of human potential if we can change the way we think about work and leadership They have dedicated the last 5 years to understanding how technical business and cultural shifts affecting the workplace have brought us to this crossroads The result is a powerful and practical guide to the future of work for leaders and employees The future can be better but only if we let go of our attachment to our traditional and disappearing ideas about careers and what a good job looks like Blending wisdom from interviews with hundreds of executives The Adaptation Advantage explains the profound changes happening in the world of work and posits the solution new ways to think about careers that detach our sense of pride and personal identity from our job title and connect it to our sense of purpose Activating purpose the authors suggest will inherently motivate learning engagement empowerment and lead to new forms of pride and identity throughout the workforce Only when we let go of our rigid career identities can we embrace and appreciate the joys of learning and adapting to new realities and help our organizations do the same Of course making this transition is hard It requires leaders who can attract and motivate cognitively diverse teams fueled by a strong sense of purpose in an environment of psychological safety despite fierce competition and external pressures Adapting to the future of work has always called for strong leadership Now as a pandemic disrupts so many aspects of work adapting is a leadership imperative The Adaptation Advantage is an essential guide to help leaders meet that challenge
