Award Winning Nfl Schedule:

Pro Football Schedules Ivan Urena, 2013-12-25 This book explains how the NFL determines each team's opponents and how the league's scheduling format has evolved throughout the years. It includes a history on the evolution of the pro football schedule, explores all of the scheduling formulas used in the National Football League, American Football League, and the All America Football Conference, and presents home and away opponent charts from 1933 through the 2017 season. **Pro Football Guide**, 1989 **Pro Football GD-88** Sporting News, 1988-08 Tales from the Bucs Sideline Chris Harris, Joey Johnston, 2004 Plenty of sports franchises have stories that flow from hopelessness to prosperity. That was the backdrop when the Tampa Bay Buccaneers became world champions, but how many others had to perform with an accompanying laugh track? How many used the number one overall draft pick on a player Bo Jackson who surveyed the scene, shrugged his shoulders, and decided to play baseball? How many essentially gave away their battered and star-crossed quarterback Steve Young, suddenly jump-starting his route to the Hall of Fame? How many had a coach John McKay who, when asked what he thought of his team's execution, wryly replied, "I'm in favor of it"? How many work in an antiquated training facility, One Buc Place, that hosts exterminators more often than the owners? For nearly a generation, they were the Yucks. Then they transformed themselves from frogs into princes. *Tales from the Bucs Sideline* is their story, warts and all. From winless wonders to world champions, from hapless players too embarrassed to show their faces in public to superstars who are constantly in your face. One and off the field, this is the story of how a franchise can transform from woeful to wonderful, complete with all the unforgettable and forgettable moments and characters. **PC Mag**, 1996-12-03 PCMag.com is a leading authority on technology, delivering lab-based independent reviews of the latest products and services.
