**A Love to Behold** Sharlene MacLaren, 2019-01-08 Two years after the Civil War Lydia Albright 27 is an established teacher in Boston when she senses God's call to leave the comfort and security of her job and go south. She accepts a position to teach in a school for former slaves in Charleston South Carolina. A church there that's affiliated with the American Missionary Association offers support along with room and board at the parsonage. The Ku Klux men are hell bent on seeing that the new school fails. Lydia's life is threatened and the parsonage church and school are vandalized. But they haven't contended with a strong determined woman like Lydia before. It also helps that she has a couple potential suitors on her side. A Love to Behold is a tale of people who grow strong in the face of adversity and a church that learns love, compassion and acceptance even in the face of cruelty and hatred.

**A Love to Behold** Wendy Stross, 2024-10-12 After a brief intense romance Archie ghosts Anne forty three years later. Archie returns to tell Anne that she is the love of his life. He's dead. And then he simply moves into Anne's life a world in which she is already struggling, feeling despair. Archie explains that he and Anne are twin flames two halves of the same soul and that with his death their soul contract that spanned hundreds of lifetimes is complete with one exception. They had promised to write their love story. What love story? They had dated a mere three months. This is the story of Anne and Archie as they come together, recall their deep love for each other and forge a ground breaking relationship that bridges the veil and is in two worlds one that allows them to recall, reflect and write their love story the one in the past and the one that continues. Sounds easy. Well no there's no map yet. Scattered throughout this narrative are letters, dreams, excerpts from Anne's Irish journal and snippets of conversation from the couple's personal journals. They serve two purposes to ground this love and relationship in Anne's life her world her journey through grief to self love and to offer a first hand glimpse of the love the humour the magic as Anne and Archie venture forth into uncharted territory and discover for themselves how truly profound their connection is in both worlds.
