*Love Times Three* Joe Darger,Alina Darger,Vicki Darger,Valerie Darger,2011-09-13 A remarkably candid and plainspoken account from the polygamous family that inspired Big Love this unassuming book opens the door on plural marriage Library Journal But this first ever memoir of a polygamous family is a riveting inside look at a world we can hardly imagine revealing the extraordinary workings of one family s day to day life In this intimate story the Dargers explain why they chose this path despite the pressures of keeping their relationships secret and the jealousy and personal challenges that naturally ensue why they believe polygamy should be an accepted lifestyle and ultimately why they hope that by revealing their way of life in public laws that criminalize polygamy might change Despite the risk of legal action the Dargers know that it s time to counteract Hollywood s sensational interpretation and the general public s misunderstanding of polygamy with the truth
