**The Love Trainer.** Julia Llewellyn, Julia Llewellyn Smith, 2004      **Love-Trainer** Julia Llewellyn, 2005      **Love trainer** Julia Llewellyn, 2014-10-28 Katie alla disperata ricerca di un lavoro e accetta temporaneamente di fare la donna della pulizia di Rebecca una nota agente letteraria Le due donne non potrebbero essere più diverse alla mano la prima sofisticata e arrogante la seconda Ma in breve tempo scatta qualcosa      [Proposing Prosperity?](#) Jennifer M. Randles, 2016-12-27 Fragile families unmarried parents who struggle emotionally and financially are one of the primary targets of the Healthy Marriage Initiative a federal policy that has funded marriage education programs in nearly every state These programs which encourage marriage by teaching relationship skills are predicated on the hope that married couples can provide a more emotionally and financially stable home for their children Healthy marriage policy promotes a pro marriage culture in which two parent married families are considered the healthiest It also assumes that marriage can be a socioeconomic survival mechanism for low income families and an engine of upward mobility Through interviews with couples and her own observations and participation in marriage education courses Jennifer M Randles challenges these assumptions and critically examines the effects of such classes on participants She takes the reader inside healthy marriage classrooms to reveal how their curricula are reflections of broader issues of culture gender governance and social inequality In analyzing the implementation of healthy marriage policy Randles questions whether it should target individual behavior or the social and economic context of that behavior The most valuable approach she concludes will not be grounded in notions of middle class marriage culture Instead it will reflect the fundamental premise that love and commitment thrive most within the context of social and economic opportunity
