*Memories and Blessings* Rachmiel Tobesman, 2014-04-01 *Memories and Blessings* is a book filled with activities stories and explanations to help children understand their feelings and the grieving process after the death of a loved one. This unique workbook is filled with many activities and much more which makes it an invaluable resource for parents and children. Each chapter in *Memories and Blessings* teaches children important skills to cope with many of the traditions and confusion so common when someone dies. Most books can only be read but the child can write, draw, doodle, take notes and even tape in pictures. You can read, enjoy, learn and share your thoughts in this book. *Memories and Blessings* is a special book that becomes an heirloom for the child. **Figuring It Out Fast** Scott Blankenship, 1999 This guidebook seeks to inform readers of the best approaches in dealing with nursing homes and nursing home circumstances. Five chapters trace the family through this heart rending experience.

**The new Popular educator**, 1899 **The Ethical Demand** Knud Ejler Løgstrup, 1997-02-15 Knud Ejler Løgstrup's *The Ethical Demand* is the most original influential Danish contribution to moral philosophy in this century. This is the first time that the complete text has been available in English translation. Originally published in 1956 it has again become the subject of widespread interest in Europe now read in the context of the whole of Løgstrup's work. *The Ethical Demand* marks a break not only with utilitarianism and with Kantianism but also with Kierkegaard's Christian existentialism and with all forms of subjectivism. Yet Løgstrup's project is not destructive. Rather it is a presentation of an alternative understanding of interpersonal life. The ethical demand presupposes that all interaction between human beings involves a basic trust. Its content cannot be derived from any rule. For Løgstrup there is not Christian morality and secular morality. There is only human morality.
