at age twenty CP became leader of the now nearly two thousand member Black P Stone Nation faction In 1964 as housing slowly opened for Black families moving westward Disciple members and affiliates added themselves to the neighborhood of West Englewood A small street gang known to law enforcement as the Satan Lovers established several years prior and other youth in the area experienced a takeover buildup by encroaching Disciple factions Increasing Disciple harassment threats and shootings stimulated local teens to weaponize and join the Satan Lovers in a battle to maintain control of their area Against this backdrop of Englewood the White Flight occurred in 1964 There included a generational Italian Mafia connected teenage street gang concerned with the approaching decimation of the Ashland Boulevard racial dividing line They also experienced the merging of a forced maturity in all White and Black Englewood teens who are today in their seventies Segregation and gang violence hovered over West Englewood This was a perfect storm of racial tension and a highly outnumbered and surrounded Satan Lovers which sidetracked teenage career goals and neighborhood peace A must read of every book club in the UK What is the big attraction Chi Town Gangster is most unique as its specifics experienced by those who lived the history are unavailable elsewhere and stem from true events uniquely attached to only one American city
