Love in the Zone Elizabeth Spaur, 2018-10-30 One week six years ago was all they had before secrets and lies tore them apart After hurling words like daggers before they parted they never dreamed they would see each other again If they can open their hearts they might be able to let go of the past and build a future Francesca Frankie O Connell was a woman in a man's world A former Marine and star wide receiver in a women's football league she was used to always following the play When an old friend offers her a chance at her dream job it also comes with a place that might be the secret to her father's recovery from a stroke Working with the man who broke her heart wasn't something she prepared for Will the one who got away throw a wrench in all her new plans or will he help her succeed beyond her wildest dreams Rushford Avery hadn't planned on settling in King's Folly permanently Accepting a job at Cormac University was supposed to be temporary until he got his grandmother settled in her childhood hometown Then it was back to England and his plans for his future Instead every day he planted deeper roots and became more involved in the lives of people in the community He hardly ever thought about the woman who'd destroyed him six years ago with a few well chosen words Will her reappearance in his life help him strengthen his place in the community or tear it out at the roots Rush and Frankie still have chemistry for days The problem is their vivid memories of the circumstances that tore them apart are just as powerful Their jobs an unexpected dance competition and the reappearance of an ex push them together and force them to confront the lies and secrets that have haunted them both for six years Will love help them look past their mistakes and find their destiny together Welcome to Love in the Zone the fourth book in the Gridiron Knights series set in King's Folly South Carolina where football is king and the locals have something to say about everything When you come for a visit you'll never want to leave This is a stand alone romance It can be read and enjoyed on its own If it's your first taste of the Gridiron Knights check out Second Chance Option to find out how Tess and Cade found their happily ever after Shotgun Romance to learn Olivia and Nick's story and Romancing the Receiver to get a taste of Ben and Lily

Bootleg Love Affair Elizabeth Spaur, 2019-06-22 He thought he had nothing left to give She thought she was too broken to be loved Together they'll learn that there is more to their story than they ever dreamed Delilah Derringer is King's Folly's reformed mean girl She hides her pain and her big heart under a mile of attitude All she wants is to survive her past and provide for her family Finding a little peace would be icing on the cake Boyd Boomer Hale is still recovering from the ultimate betrayal and a traumatic brain injury All he wants is to be left alone do his job and find a way to heal Getting to a new normal is the name of the game Neither of them expected to literally run into each other outside their therapist's office A therapist that specializes in post traumatic stress disorder When their well meaning friends start making noises about setting them up with other people Delilah and Boomer hatch a plan to sidestep the matchmaking They'll pretend to date each other After all neither of them is ready for any kind of relationship Both of them have secrets With the ink barely dry on their divorces they're in total agreement If they follow the rules there's

no chance their friendly arrangement can turn into anything else Is there The rules change when Delilah s trauma refuses to stay buried and her past comes back to terrify her After flashbacks send her running to Boomer he s determined to build trust between them and protect her His infinite patience gives her a safe space that makes her believe she can heal Will love help them realize that all their broken pieces fit perfectly when they re together Welcome to Bootleg Love Affair the fifth book in the Gridiron Knights series set in King s Folly South Carolina where football is king and the locals have something to say about everything When you come for a visit you ll never want to leave This is a stand alone romance It can be read and enjoyed on its own If it s your first taste of the Gridiron Knights check out Second Chance Option to find out how Tess and Cade found their happily ever after Shotgun Romance to learn Olivia and Nick s story Romancing the Receiver to get a taste of Ben and Lily and Love in the Zone to take a spin with Frankie and Rush **Shotgun Romance** Elizabeth
