in it become one with it And you will find that darkness offers you something that light can never give you All the important mysteries of life are hidden in darkness These are talks by Osho given at a meditation camp where he introduces people in a direct and practical way to an understanding of meditation as a way to get acquainted with darkness to re discover that darkness is peace relaxation and stillness all through the simple method of witnessing Meditation means discovering the one who is beyond all happening and has never been a part of anything **The Red Letter Shakespeare: Love's labour's lost** William Shakespeare,1905 **Language of Love** Ambika Prasad Sharma,2001 **Love and friendship.
