Cain, 1942 *Three by Cain* James M. Cain, 1989-05-14 All three books are written with an enduring view of the dark corners of the American psyche Cain hammered high art out of the crude matter of betrayal bloodshed and perversity *Mystery Classics on Film* Ron Miller, 2017-04-26 Watching the screen version of a classic mystery novel can be disappointing By necessity or artistic license or possibly just ego changes are often made by the filmmakers many of them ineffective or even detrimental This book focuses on the screen adaptations of 65 famous mysteries and examines how the filmmakers either succeeded or failed in the telling of the story Interviews with several famous mystery writers are included with their comments on how filmmakers treated their work **The Red and the Black** Robert Miklitsch, 2016-12-07 Critical wisdom has it that we said a long goodbye to film noir in the 1950s Robert Miklitsch begs to differ Pursuing leads down the back streets and alleyways of cultural history The Red and the Black proposes that the received rise and fall narrative about the genre radically undervalues the formal and thematic complexity of 50s noir and the dynamic segue it effected between the spectacular expressionism of 40s noir and early modernist neo noir Mixing scholarship with a fan s devotion to the crooked roads of critique Miklitsch autopsies marquee films like D O A Niagara and Kiss Me Deadly plus a number of lesser known classics Throughout he addresses the social and technological factors that dealt deuce after deuce to the genre its celebrated style threatened by new media and technologies such as TV and 3 D color and widescreen its born losers replaced like zombies by All American heroes the nation rocked by the red menace and nightmares of nuclear annihilation But against all odds the author argues inventive filmmakers continued to make formally daring and socially compelling pictures that remain surprisingly startlingly alive Cutting edge and entertaining The Red and the Black reconsiders a lost period in the history of American movies **Books to Die For** John Connolly, Declan Burke, 2016-10-25 An anthology featuring the world s greatest mystery authors writing about the world s greatest mystery novels *James M. Cain* David Madden, Kristopher Mecholsky, 2011-04-28 James M Cain wrote some of the grittiest novels in American literature including such classics as The Postman Always Rings Twice Double Indemnity and Mildred Pierce James M Cain Hard Boiled Mythmaker is a critical overview of the author s life work and legacy An updated and expanded edition of two of David Madden s scholarly works on Cain this new book improves upon the previous works by collecting the most essential writing on Cain by Madden into one volume In addition to melding existing material this work contains updated and new material including fresh commentaries on later books such as Rainbow s End Cloud Nine and The Enchanted Isle as well as later film adaptations including Butterfly It also responds to 40 years worth of criticism on Cain and reevaluates his influence Providing an overview of all of Cain s

fiction including an analysis of the major themes of his entire literary career the book also describes Cain's impact on and importance in 20th century culture film in particular In addition to a biographical summary and thematic outline of Cain's nearly 50 year career Madden and Mecholsky examine how Cain's works explore the nightmare consequences of the persistent American dream Finally Madden and Mecholsky consider Cain's technical innovations of the novel and survey the major film adaptations of Cain's novels With its significant in depth analysis and a foreword by Edgar award winning author Max Allan Collins this volume will be of interest to Cain scholars as well as anyone interested in 20th century American literature and film
