## **Loves Timeless Hope:**

Love's Timeless Hope Anne Meredith, 2018-05-03 Researching what she swears will be her last romance novel Rebecca Reynolds travels to the charming old town of Jefferson Texas Why should she continue to write about the myth of romantic love when she's seen no evidence of it in her own life Still she finds herself captivated by the tales of historic Jefferson and the beautiful woman murdered over a century ago for her diamonds And is it true that anyone who sleeps in Garit's room at the fabled Behringer Inn will wake up in love No sooner does she check into the bed and breakfast than she finds herself swept away to old Jefferson during its 1876 heyday And then she meets Garit himself And soon she's caught up in a web of deceit sabotage and greed How can she find her way back to her own time and does she even want to live in a world without Garit

The Colours Of Emotions Husain Bohra, 2023-04-04 The Colors of Emotion is a deeply immersive collection of one

hundred poems that explore the rich tapestry of human emotion the Author has taken twenty five different moods each represented by four evocative poems and woven them into a breathtaking tapestry of feeling In this book readers will be taken on a journey through the ups and downs of human experience from the intoxicating highs of love hope and joy to the heart wrenching lows of sadness anger and fear With each poem Author captures the nuances and complexities of each feeling revealing the many shades and colors of the human emotional spectrum From the bitter taste of jealousy to the disorienting feeling of confusion each emotion is explored with depth and nuance The poems on themes such as humor sacrifice and mystery among others are crafted with precision and care using language to express the inexpressible Through the exploration of emotions like guilt envy and betrayal The Colors of Emotion shines a light on the darker corners of the human psyche reminding us of the complex interplay of light and dark within us all But it also celebrates the transformative power of positive emotions such as gratitude willpower and ecstasy Ultimately The Colors of Emotion is a testament to the enduring power of poetry as a medium of self expression and reflection It is a journey into the heart of what makes us human and a celebration of the beauty and complexity of our emotional landscape

**Snapshots** Craig Clouston,2010-04 January 19 The rain sounded so relaxing with a cadence that lulled you into restful slumber In the early morning hours layer upon layer of ice formed causing tree branches to bow down almost touching the ground As the sun rose over the horizon the boughs glistened with dazzling beauty And although the rays of sunshine continued to dance on the frozen limbs the temperature remained below freezing What a tremendous waste that so many trees would be destroyed because they weren't strong enough to bear the additional load And so it is with us as wounds and disappointments accumulate Devoting yourself to daily spiritual meditation can enhance your walk with God in ways you never dreamed possible This robust and encompassing resource offers 366 lessons crafted to deepen your spiritual insight Hanging on to each day's unique and inspiring message will remind you of the great truths found in God's Word In Craig Clouston's compilation of insightful scenarios you will find that Snapshots is not a traditional cumbersome devotional These experience driven scenarios will draw you in immediately relating the message to your own life experiences This book offers real spiritual solutions with each day's commentary specifically designed to illustrate how to strengthen your walk with Christ Absorbing readable and brief these fresh stories and adaptations of popular songs and books will allow you to quickly grasp the most important truths of the Bible Setting aside time to read Snapshots will open the eyes of your heart to the depth of God's love and his desire for you to know him at the deepest level So follow along and enjoy the journey

**Murm'rings of the Heart** Olivia Villa-Real,2015-11-18 In this fast paced world of science and technology we have set ourselves to a never ending race with time We've lost our capacity to enjoy the simple pleasures in life We have dulled our senses from appreciating the wild flowers along our way that flaunt their beauty and waft their fragrance on the breeze We cast our vision hurriedly past the inviting pathways into the deep woods that eagerly entice us to take a moments rest Lest we become robots devoid of feeling

machineries unable to experience bliss we must elevate ourselves from the mundane to such loftiness of spirit as will enable us to experience and enjoy the true essence of life This book offers us a sanctuary to rest our weary body and spirit and its poetry allows us to feel the realities within ourselves too often missed yet are far richer than the physical realities around us that are too commonplace and barren to appreciate The poems tug at the root of our being awakening the treasures lurking within us little gems too inspiring to miss and too beautiful to forget This book is a window into my soul the anima within me that gives me life It is the true reality of my existence more than the reality of my physical being It is beyond what my intellect can reach and what my emotions can inspire My poetry which includes my songs is the fresh breath of my soul it is the raw expression of what is at my core borne in the spur of the moment and perfected by inspiration It is therefore in a spirit of love and absolute trust that I welcome you into this sanctuary of my soul since I render myself bare naked and vulnerable as I put you in touch with my true reality which is devoid of fear pretenses inhibitions as well as self serving needs or purpose
